**Deadline to ensure sponsorship and ad appear printed in the event program is April 30, 2014. Sponsorships will still be accepted after this deadline.**

## Fund for the Future:

The Fund for the Future is an unrestricted fund established by John B. Warden, III, President of the Warden Asphalt Company. Unrestricted funds enable TFEC to respond quickly to changing community needs. Earnings from this fund provide grants to a variety of nonprofit organizations in the Central PA counties of Cumberland, Dauphin, Franklin, Lebanon, and Perry, and the Dillsburg Area. These grants focus on reducing health disparities among underserved populations, providing for basic human needs (food, clothing, housing, utilities assistance), quality education programs, moving families out of poverty, creating sustainable communities, promoting arts and culture, community development efforts, and the environment. Grant decisions are made by a volunteer advisory committee. In 2013, the Greater Harrisburg Foundation received 102 grant applications, totaling over \$650,000 in grant requests but was only able to fund \$186,000. As you can see, the community's needs are greater than our resources.

**Advertising Opportunities:**

**Full page \$500**  
(size: 4.75" w x 7.75" h)

**Half page \$250**  
(size: 4.75" w x 3.75" h)
