

Dear Friend,

You can make an immediate difference in the lives of women and girls in Central Pennsylvania through your support of the Women's Fund. For over five years, The Women's Fund has raised funds to support local nonprofit organizations whose programs address the needs of women and girls to ensure that they realize their full potential to have better lives and to be productive citizens.

Each year the Women's Fund offers nonprofit organizations operating in Cumberland, Dauphin, Franklin, Lebanon, and Perry Counties and the Dillsburg area of York County the opportunity to apply for a grant to support their missions. This is a competitive process, which requires accountability for the dollars given to the organization.

On **October 2, 2014**, at our *3rd Annual Power of the Purse*, the Women's Fund will host a lively evening focused on women's ability to drive philanthropy and we will also be presenting the 2014 Women in Philanthropy award. In addition, the event includes a cocktail reception and a purse auction. We expect about 150-200 guests, primarily a mix of young and established professional women.

We ask that you consider being a sponsor of this terrific event so that you can reach this very valuable audience. Last year's event was sold out and the committee expects that we will sell out again this year. I have attached information about the variety of sponsorship opportunities available to you this year.

With your help, we can help local girls and women overcome barriers and become successful members of our community. Thank you for your consideration and I look forward to seeing you and your organization represented at our event.

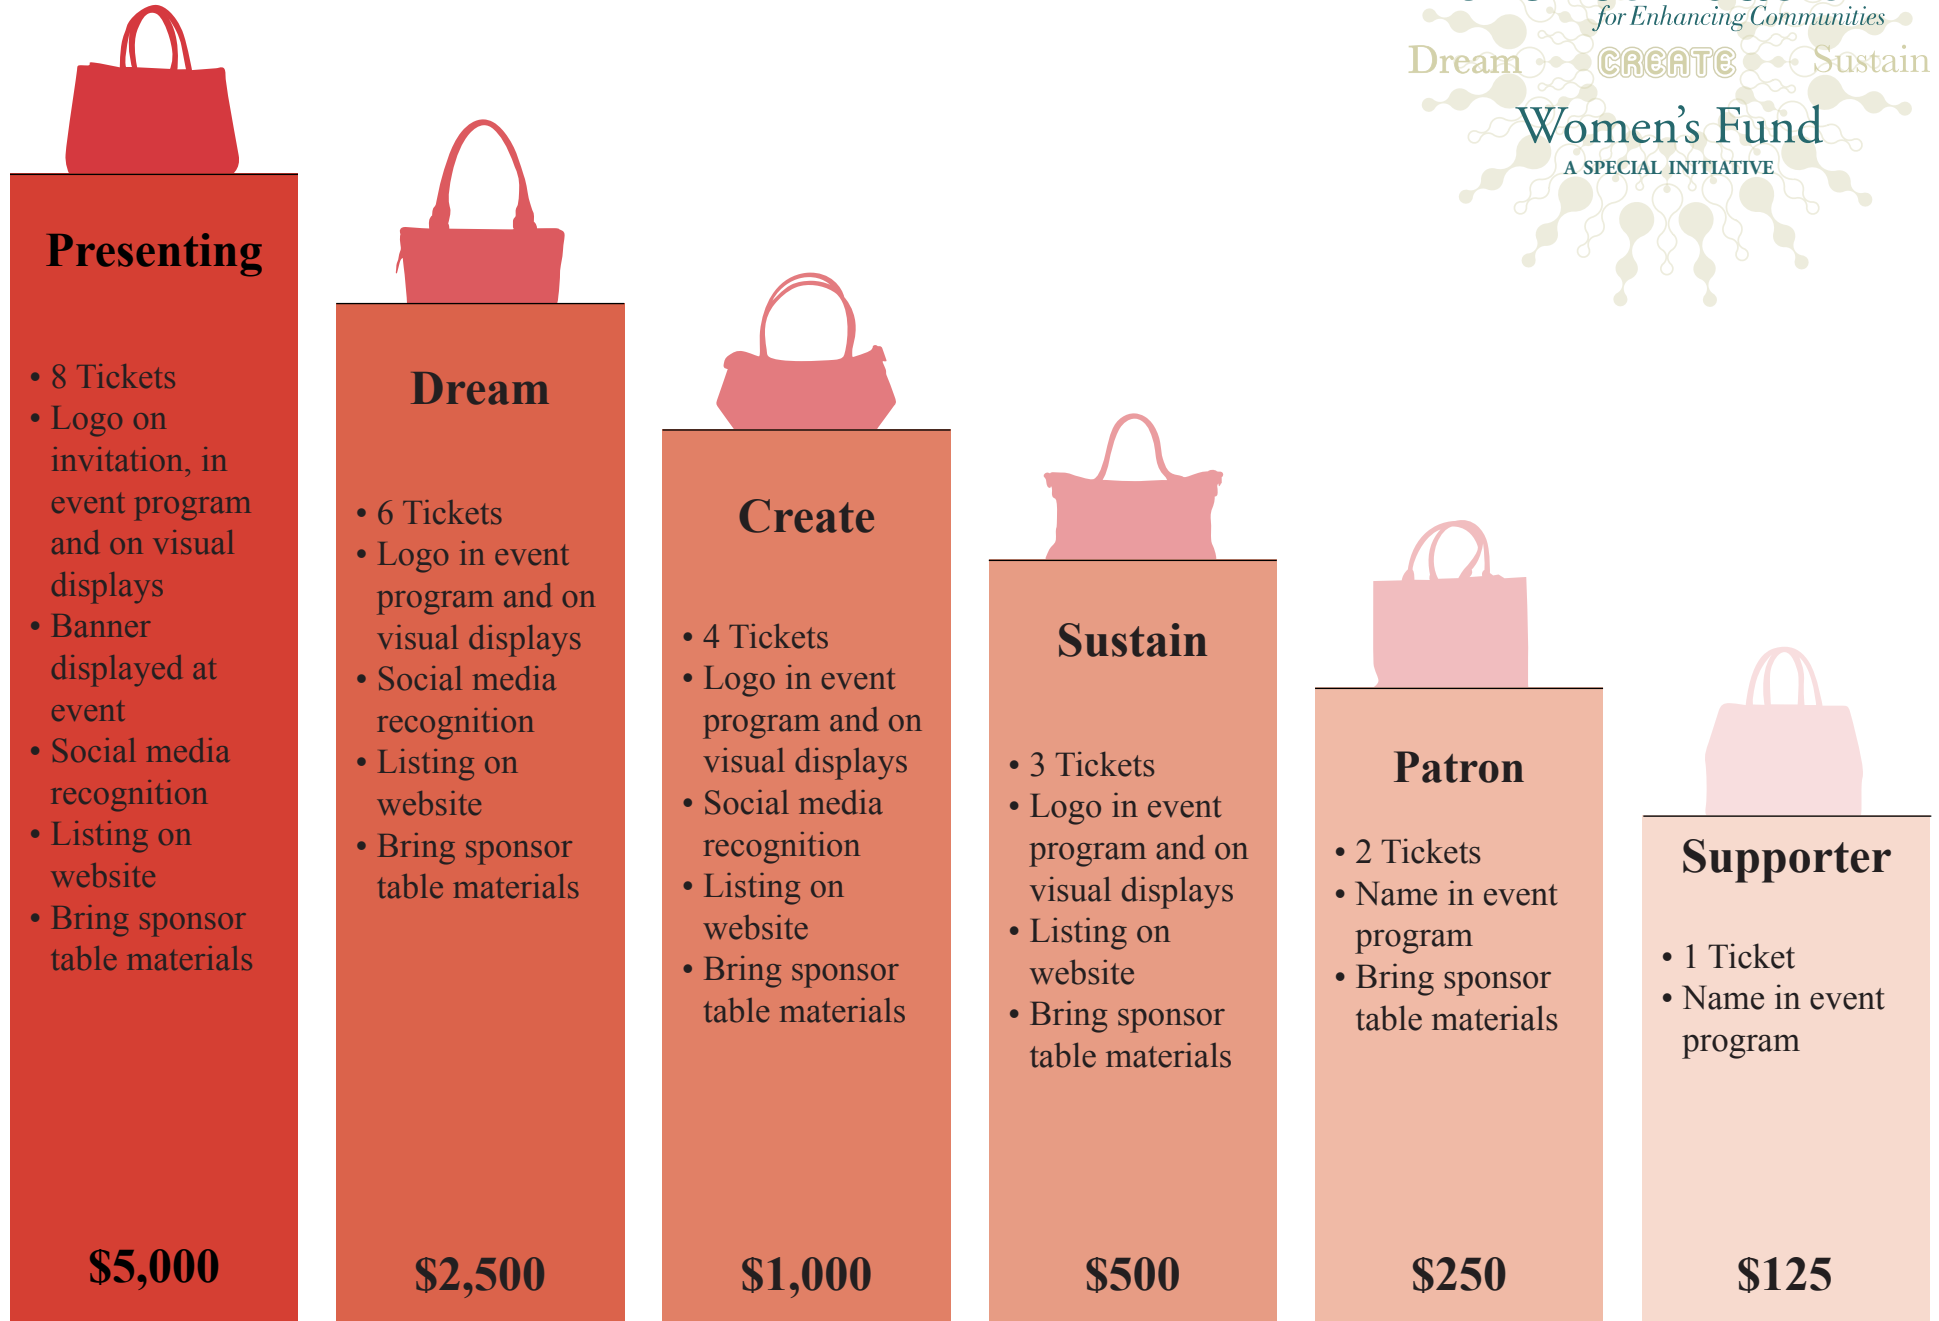

Sincerely,

Dr. Carolyn C. Dumaresq
