Martin M. Sacks Memorial Fund is Now Accepting Grant Applications

Harrisburg, PA, July 29, 2013 – The Foundation for Enhancing Communities is pleased to announce that the Martin M. Sacks Memorial Fund is now accepting grant applications. Martin M. Sacks was a well-known accountant and handball devotee, who was committed to the disadvantaged and underserved, particularly youth. The annual competitive grantmaking program is for nonprofit organizations providing youth and family-oriented programs in Cumberland, Dauphin, and Perry counties.

Up to \$8,000 is available to grant this year; the average grant is \$1,000. Money for grants is raised through a dinner held annually in March.

Proposals should be innovative and not duplicate existing programs and services; empower the disadvantaged and underserved; be collaborative in nature and demonstrate measurable and achievable outcomes.

Applicants must either be a registered 501(c)(3) nonprofit organization, or have a registered 501(c)(3) nonprofit organization act as a fiscal agent for the proposed project.

Applications must be submitted through TFEC's online application system by September 13, 2013. Notification of grant awards will be made in November 2013. Organizations interested in applying should visit www.tfec.org to learn how to apply and review the grant guidelines.
