

Got Outcomes?

Does your work count?

How do you know?

Can you measure your success?

We can show you how!

Free coaching & training for 501c3s through the
Dauphin County Capacity Building Project

Helps you build and use the United Way outcome
logic model

Quotes From folks who
have participated in
this coaching
Opportunity:

"Essential for funding...outcomes coaching provided my agency great ideas for program planning."

"We took my program apart and re-did it... now we deliver the right services and help our consumers."

Will improve client services and your employees and volunteers' ability to deliver services for impact."

"An opportunity you don't want to pass up! Helped me really understand my program and how to achieve its purpose."

What you get

You'll create an outcome logic model (OLM) for one agency program.

You'll be able to show your program's benefits: progress & positive changes for those you serve.

You'll have time to work out the steps needed to achieve your program's success.

You'll develop ideas for tracking, measuring, communicating your success to your stakeholders.

What you do

Engage in on-site coaching at your agency
- up to 20 hours of expert assistance.

Participate in "Roundtables" with other agencies
- you help each other with your OLMs.

Attend 1/2 day trainings on outcome service activities & measures of outcomes.
