Encouragement and support must be there for them. The Dream Team does just that!"

- Alyce Spector, Dream Team

"I joined the Dream Team because I am interested in supporting women's causes. This one is ultimately sustainable over time. Already the fund has been

a significant support to some very worthy organizations right here in the Harrisburg area."

Women's Fund

The Women's Fund was created in 2000 to broaden the awareness of, and respond to, issues affecting women and girls through the power of collective philanthropy with two primary goals:

- 1 Recruit 1,000 women to join the Dream Team by each making a gift of \$1,000 which will be used to create a lasting endowment of \$1 million to support women and girls now, and far into the future.
- 2 Make grants annually to local nonprofit organizations that focus on bettering the lives of women and girls in the South Central PA counties of Cumberland, Dauphin, Franklin, Lebanon, and Perry, and the Dillsburg Area.

"I learned that even if you want to give up, don't and no matter what, you just want to finish strong."

- Participant, Capital Area Girls on the Run, Grantee
