Raymond L. Gover passed away in October 2018. Raymond is a Director Emeritus of TFEC’s Board of Directors. Raymond will be missed by The Foundation for Enhancing Communities, the community-at-large, and by those who knew him well.
The Foundation for Enhancing Communities is pleased to present our Annual Report for 2018.

The Foundation for Enhancing Communities (TFEC) and our six regional foundations, which include the Camp Hill Area Community Foundation, Dillsburg Area Foundation, Franklin County Community Foundation, the Greater Harrisburg Community Foundation, Mechanicsburg Area Community Foundation, and the Perry County Community Foundation, had another very successful year.

We ended the year with a total of 41 new funds, management agreements, and projects. Our total contributions for 2018 totaled $9.2 million which brings our total assets to $90,540,189. Reaching this new pinnacle of growth is very exciting!

We were pleased to welcome five new board members, including David Forney, retired from the Hershey Company, Esmeralda Hetrick, owner of Latina Link, Greg Klopp of Hershey Entertainment, Doug Neidich of Green Works Development, and Susan Simms March, Esquire, of PA American Water.

We were sorry to have to say goodbye to Jeff Mattern, our chair for the past two years, as he stepped down at year-end after a total of eight years of service on the board. Thank you, Jeff, for all your service, ideas, and asset development expertise!

Sixteen members graduated from our Emerging Philanthropists Program (EPP), our partnership with Harrisburg Young Professionals (HYP). We have graduated a total of 72 young adults from the class over five years. The program has granted a total of $25,000 to various nonprofits over the five year period. The Emerging Philanthropist Fund, an endowment fund for the work of the EPP group, received a total of $8,674.65 in 2018. EPP will be sponsoring the Harrisburg Hoopla, a day of field games on City Island, with good food and music on June 1st. The Emerging Philanthropist Fund and local nonprofit organizations will benefit from the event. We hope you will support this enterprising group and attend.

Our Women’s Fund held the Annual Grantee Recognition Breakfast in April 2018 and the Power of the Purse in November 2018. Ann Pehle and Robyn Holder were honored for their extraordinary and generous service to the community in 2018 as the “Karen F. Snider Women in Philanthropy Award” winners and Jeshanah McLeod was awarded the first “Rising Philanthropists Award.” We were honored to welcome 45 new Dream Team members in 2018. Sylvia Hepler served as our capable chairwoman in 2018.

We worked in 2018 with Merit to achieve our new Brand Refresh. We are the same organization with the same philanthropic products with a new look. We hope you like what you see.

Our strong, dedicated, and cohesive team of professionals are most critical in meeting the strategic goals and objectives of an ever-growing, flexible, ever-adapting organization. We welcomed Andrea Iguina-Pérez to our team as our Community Investment Associate and Debbie Garrison as our Philanthropic Officer. We are pleased to thank Spencer G. Nauman, Jr., Esq., and Steve Feinour, Esq., Nauman, Smith, Shissler & Hall, for their exceptional legal advice and Connie Siegel and Bob Dolan, both of Conrad Siegel for their volunteer guidance and leadership in the area of investments.

We, without you, our donors, could not do what we do each year. You provide us the ability to partner with you to achieve your charitable goals as you support your favorite charities. We are honored to serve as your partner in your philanthropy. Your dedication and commitment to making the region a better place to live, work, and play is a precious gift we cherish and value through your leadership and generous sharing of resources. We appreciate your leadership, suggestions, and for your willingness to permit us to assist you with our philanthropic services. As always, the seeds sown in the past are constantly presenting themselves now, in the form of new funds, projects, management agreements, estates, and bequests. We thank you for helping us to plant new seeds and when ready, to harvest them.

If you have questions or would like additional information about any of our services and products, please contact Janice R. Black, President and CEO at jblack@tfec.org, or at 717-236-5040. Visit our website at www.tfec.org for regular updates on general information about the overall organization, grants, scholarships, our electronic newsletter, news, and events.

Sincerely,

Janice R. Black
President and CEO

Chairman
INVESTING WITH TFEC

Last January, I talked about what a wonderful year it had been for the equity markets. Stock prices were not only up in the United States, but stock prices were up in the vast majority of developed and emerging markets. Asia was the area with the biggest returns. In the U.S., equity returns were positive in each month of 2017, which had not happened since 1998.

What a difference a year makes. We are in discussions with China about tariffs, the government has been partially shut down over the holidays in an immigration dispute, the Federal Reserve raised short-term interest rates in December, and the market has become extremely volatile. It can be made to sound like a doomsday scenario, but what has happened in the equity market?

Just before the presidential election at the end of October 2016, the DJIA closed at 18,142, by the end of 2017 it reached 24,719, an increase in the value of the index in excess of 36%. At the end of 2018, it dropped to 23,327, an annualized return over the two-year and two-month period of 12.3%. We are long-term investors, so while the negative return for the calendar year raises red flags, a look at the longer term, a 26-month period, shows an annualized increase in the DJIA of 12.3%. Up a lot more in the first part of that period and down in the second part; nonetheless, a nice two-year return.

So perhaps the market went up more than it should have in the early months of the new president’s term and is now adjusting (or has adjusted). We need to avoid reacting to that noise around the very public discussions of politics occurring now.

The economy still looks strong for 2019, recent job increase numbers were good. As always, there are political issues out there that could erupt at any time to undermine this good news. But that risk, to some degree, always exists. No one knows what 2019 will bring to the stock market, there seems to be more growth to be achieved. The stock market continues to be strong, but as you’ve heard us say before, this is when being disciplined pays off the most, and the profit picture looks strong, inflation has ticked up slightly but nowhere near problem levels and GDP growth has been good.

Corrections are common, expected, and often healthy when investing in equity markets. Of course it’s natural to feel anxious in times like these, but as you’ve heard us say before, this is when being disciplined pays off the most, to stay the course and not make short-term moves with long-term money. As always, your Investment Advisory Committee continues to review asset allocation and the funds used to execute that allocation with a strong discipline to long-term returns.

So, we remain committed to our investment horizon – always long term. We remain committed to that philosophy.
STATEMENT OF FINANCIAL POSITION

1 Results are net of fees included in the mutual funds but before TFEC’s fee for investment and fund management and are as of 12/31/18.
2 Benchmark returns are unmanaged and do not incur fees. In 2004, the benchmarks were adjusted because small cap and international allocations were increased. In 2001 and prior years, the Model E equity benchmark was 70% S&P 500, 20% Russell 2000 and 10% MSCI-EAFE, and Model A’s benchmark was 49%, 33%, and 7%, respectively.
3 To minimize market fluctuations, the fixed income component is invested in funds that focus on high quality, intermediate-term bonds. It is heavily weighted to U.S. Government bonds.
4 100% Equities
5 70% Equities & 30% Fixed Income
6 100% Fixed Income

The annual Fiscal and Administrative Officers Group (FAOG) Community Foundation Survey consistently demonstrates that TFEC’s investments perform in the top 3 of all reporting community foundations. This is due to our greater equity exposure, passive investment strategy, and lower expenses.

START YOUR CHARITABLE JOURNEY

Supporting your favorite nonprofit organizations is important to you. Honoring your intent and legacy is important to us. Since 1920, TFEC has been partnering with dreamers like you to help realize your charitable vision. Together, we can make a difference today and tomorrow.

Ways to Give

In addition to cash, you can give other assets to establish a fund or contribute to an existing fund. TFEC has the capacity to accept marketable securities, closely held business stock, real estate, life insurance policies, mutual fund shares, qualified retirement plans or pensions, or nontraditional assets such as collections, art, antiques, or even a car.

For more information about how we can help you achieve your philanthropic goals, please contact Janice R. Black, President & CEO, at jblack@tfec.org or Jennifer Doyle, Vice President of Philanthropy & Community Investment at jdoyle@tfec.org. You can also visit our website at www.tfec.org, or call us at 717.236.5040.

SCHOLARSHIP FUND

Create a Scholarship Fund to support students pursuing higher education. With a scholarship fund, grants in the form of scholarships are made based on the criteria you choose; the fund may be permanent or nonpermanent.

AREA OF INTEREST FUND

Create an Area of Interest Fund to support one specific issue that you care about. With an area of interest fund, you focus your charitable interests in one area of interest, such as arts, education, or health & human services. Grant decisions are made by volunteer advisory committees and are distributed through a competitive application process.

RESTRICTED FUND

Create a Restricted Fund to support a specific nonprofit organization that is important to you. With a restricted fund, you designate one or several nonprofit organizations as permanent grant recipients.

DONOR ADVISED FUND

Create a Donor or Committee Advised Fund to support many causes that are meaningful to you. With a donor or committee advised fund, you recommend grant recipients and amounts whenever you would like; the fund may be permanent or nonpermanent.

UNRESTRICTED FUND

Create an Unrestricted Fund to support the most current community needs affecting Central Pennsylvania. With an unrestricted fund, you ensure funds will be available, in perpetuity, for the most current community needs. Grant decisions are made by volunteer advisory committees and are distributed through a competitive application process.

We can help you achieve your philanthropic goals

Robert E. and Miriam E. Goodling Foundation

Create a Donor or Committee Advised Fund to support many causes that are meaningful to you. With a donor or committee advised fund, you recommend grant recipients and amounts whenever you would like; the fund may be permanent or nonpermanent.

Robert E. and Miriam E. Goodling

Robert E. and Miriam E. Goodling Foundation

Robert E. and Miriam E. Goodling served in the U.S. Navy during WWII and survived the sinking of USS Frederick C. Davis destroyer escort, for which he received a Purple Heart. After serving, Evan retired from retail seafood sales having worked for Sunbury Seafoods, Weis Markets, and was the owner of the former Bostdorf's Seafoods in Millersburg. Peg Hoffman Bostdorf, originally from Boston, MA, was a 1st lieutenant in the Army Nurse Corps during WWII and was a recipient of the Asiatic-Pacific Campaign and WWII Victory medals. Peg was best known throughout the Lykens Valley as “Mrs. Hoffman” for her long service as wife, nurse, and office manager of her first husband, the late Dr. Lewis Hoffman. As lifelong church members, the Evan R. and Marguerite H. Bostdorf Fund will support three local churches.

UNRESTRICTED FUND

Give Where You Live

Create an Unrestricted Fund to support the most current community needs affecting Central Pennsylvania. With an unrestricted fund, you ensure funds will be available, in perpetuity, for the most current community needs. Grant decisions are made by volunteer advisory committees and are distributed through a competitive application process.

In 2018, through TFEC and regional foundation unrestricted funds, $617,826.85 was awarded to 117 nonprofit organizations working to strengthen our regional communities. With your help we could have given $941,315.85 — the total amount requested by 171 nonprofit organizations that submitted an application. Each unrestricted fund helps us give more to our local community.
GIVE WHERE YOU LIVE

If you want to address your community’s most pressing needs and promising opportunities as they change over time, consider giving to one of TFEC’s community funds. These unrestricted funds give you the opportunity to help your community with what it needs — and our area’s needs are always changing. An unrestricted fund allows the community to tell us what it needs, and for us to meet that need.

TFEC has a network of endowed community funds, each seeking to improve the quality of life in our region. Grant decisions are made by volunteer advisory committees and are distributed through a competitive application process for the most current community needs. By combining resources and working together, we are able to have a greater impact for good across our community forever.

Fund for the Future
Established through the Warden Asphalt Company by its President, John B. Warden, III, the Greater Harrisburg Foundation’s community fund combines gifts from many individuals to provide grants to a variety of nonprofit organizations serving Cumberland, Dauphin, Franklin, Lebanon, Perry, and Northern York counties.

Mechanicsburg Area Community Fund
Established by several members of the Mechanicsburg Area Community Foundation Advisory Board in 1988, fund income supports charitable projects in the Mechanicsburg area.

Franklin County Community Foundation Fund
Established in 1987 with a gift from Mr. & Mrs. John A. Redding, Jr., earnings from the Franklin County Community Foundation’s community fund provide grants to a variety of nonprofit organizations serving Franklin County.

Perry County Community Fund
Established in 1987 with a contribution from the former CCNB Bank, N.A. earnings from the Perry County Community Foundation’s community fund support nonprofit organizations serving Perry County.

ANYONE CAN BE A PHILANTHROPIST WITH TFEC

$10,000 over 5 years

Anyone can create a fund to leave a legacy that impacts the community forever. The minimum contribution level to start a fund is $10,000, and you have five years to reach that level. That’s $2,000 per year over 5 years, or less than $200 a month!

CHRIST/SLOAND FAMILY FUND

This donor advised fund was established in 2016 by the families of Scott and Susan (Sloand) Christ. The family’s goals are to support local and national health and human service organizations with special meaning to both families including but not limited to Parkinson’s and Lupus Foundations, American Heart Association and cancer affiliated groups.

“...that would honor our parents. Both of Sue’s parents had some form of heart disease and Scott’s mother ultimately died of complications of Lupus. Scott’s dad died of complications of Parkinson’s disease. We knew that we had to do something to honor our parents’ memories and help make a difference for the future by leaving a legacy — a legacy of hope."

Scott and Susan Christ

We decided to establish the Christ/Sloand Family Fund, which after reaching the $10,000 minimum will benefit health-related organizations like the American Heart Association, The Lupus and Parkinson’s Foundations and auto-immune disorders. Both of our extended families have given what they can afford and we received many generous contributions on behalf of Scott’s dad’s passing in 2018. We personally have pledged money every-year in order to reach the goal knowing that we are helping others who are affected by these terrible diseases. TFEC is helping us to achieve our goal of helping others.”

Scott and Susan Christ
CORPORATE SOCIAL RESPONSIBILITY

TFEC can help your company develop and administer a strategic corporate giving plan that makes an impact in your community, advances your corporate objectives, and supports employees’ charitable efforts, making them feel valued and ultimately increasing job performance and morale. Your corporation’s giving plan will be customized to enrich and streamline your philanthropic experience and can include any of the following:

- **Strategic Design & Implementation**
  - TFEC can help you develop a lasting strategy that maximizes the impact of your company’s giving.

- **Grantmaking Services**
  - TFEC can help you create or improve your corporate grantmaking program, handling administration and request for proposal solicitations for you.

- **Corporate Foundation**
  - You can establish a Corporate Foundation to increase the visibility of your company’s charitable strategies in the community, as well as connect your corporation to the charitable causes you care about.

- **Corporate Scholarship Fund**
  - You can support worthy students entering or continuing their education by creating your company’s own scholarship fund.

- **Corporate Hardship Fund**
  - You can provide aid to your employees after disasters or for other hardships.

Here are several examples of what other local community-minded corporations have done to strengthen their communities:

**Delta Dental of PA**

The management of Delta Dental chose to establish a Scholarship Fund to assist the children of the company’s employees. Working with TFEC, they wrote the guidelines and TFEC manages their application process. Qualified students apply using TFEC’s online applications and submit their information electronically. TFEC staff gathers all of the information and provides it to the scholarship award committee.

**Flagger Force**

The owners of Flagger Force wanted to support their employees who hit hard times and establish a vehicle through which they could raise tax-deductible dollars to support local charities. Working with TFEC, they established the Flagger Force Foundation. This project raises funds to be used for charitable giving and employee hardship needs, and their employees can make tax-deductible donations into the fund through payroll deductions.

**Gannett Fleming, Inc.**

Working with TFEC, Gannett Fleming established an Employee Disaster Fund, which assists employees in the wake of a disaster with personal, family, living, funeral, home repair, or home furnishings replacement expenses. Employees can make tax-deductible gifts to the fund through payroll deductions.

**PILLARS WITH PURPOSE BENEVOLENT FUNDS**

Upstream’s Pillars with Purpose Benevolent Funds are the first ever formalized giving vehicle for the recently merged Upstream Rehabilitation, Inc./Drayer Physical Therapy Institute, allowing employees to give to a cause of their choice in an impactful way. Seven funds, each with a varying purpose, were created based upon employee’s giving inclinations. The established funds will benefit children, help fight against cancer, combat homelessness, protect animals, give back to veterans, aid missions, support faith-based charities, and assist communities in acute need when disaster strikes.

For a long time I have wanted my employees to have a means to give back in a big way. It took some time to find the right partner to accomplish this. I needed a partner that provided the right mix of oversight and personal vision. Just as it was important for me to have a hand in creating this charitable effort, it was imperative that I gave our employees that same ownership opportunity. From that idea, and after much consultation with wonderful, service-minded folks within our company, “Upstream’s Pillars with Purpose Benevolent Funds” were established. The goal of bringing all associates together in order to make a difference in the lives of so many, as well as giving our patients a way to give back, is being realized. I’m forever grateful for the opportunity to serve our team in the role of philanthropic visionary for our company, and TFEC gave me the avenue to do so.”

Luke Drayer, Founder, Drayer Physical Therapy Institute & Senior Advisor, Upstream Rehabilitation, Inc.
In addition to cash and other assets, you can give the gift of real estate to establish a fund or contribute to an existing fund. TFEC Properties, Inc. allows TFEC to receive, hold, manage, lease, and otherwise process real estate gifts from donors. TFEC Properties, Inc. can handle charitable gifts of real estate and can even consider accepting part sale/part gift transactions, such as real estate with a small mortgage still to be paid. TFEC Properties, Inc. can also receive real estate in various arrangements like gift unitrusts, which address the ongoing interests and income needs of the donor in their lifetime to make the charitable gift now and in the future. Additionally, TFEC Properties, Inc. can arrange for real estate and provide management of real estate for the benefit of other nonprofit organizations. Not only would this group be able to handle real estate transactions relating to the TFEC funds, but it could also be the holding entity for donations to benefit other qualified nonprofit organizations.

2019 Advisory Committee

Seated (left to right):
Robert C. Grubic
Gary L. Nalbandian

Standing (left to right):
Paul J. Bruder, Jr.
George A. Parmer
Neal S. West, Chair
Mark D. Hipp, Esq.

Not Pictured: J. Stephen Feinour, Esq., Lane Schultz

How it Works

We will work with you to identify which giving option best suits your charitable goals. You can make an immediate donation of real estate or make a planned gift and leave a meaningful legacy. Your gift will be reviewed thoroughly to ensure it complies with IRS rules.

Once approved, TFEC Properties, Inc. will accept a deed to the property and undertake the process of selling the property. When the property is sold, the net proceeds can be placed in a charitable fund with TFEC and invested.

Multiple Tax Benefits

A gift of real estate entitles you to receive multiple tax benefits to the extent allowed by federal and state law, including:

- A charitable income tax deduction for the fair market value of the donated property;
- The reduction or elimination of capital gains; and
- The reduction or elimination of estate taxes.

Please consult with your legal and tax advisors to evaluate your individual tax circumstances.

TFEC Properties, Inc. can accept the following types of real estate gifts:

- Single family homes
- Undivided interests in real estate
- Vacation or second home properties
- Undeveloped land
- Agricultural land
- Mineral rights
- And others

Charitable Options

The proceeds from the sale of your real estate can be rolled into several different fund options including an unrestricted fund, area of interest fund, donor advised fund, restricted fund, or scholarship fund.

Leave a Lasting Legacy

Gifts of real estate may also be made through your will or living trust. When you give your property to nonprofit organizations, you can avoid potential estate taxes and your family will not have to worry about the upkeep and sale of the property. We can provide you and your estate planning attorney suggested legal language to include in your will or trust. Donors who make a planned gift are invited to become members of our 1920 Legacy Society; joining the ranks of those who have created their charitable legacy through TFEC.

“We decided to work with TFEC Properties, Inc. to meet our goal of liquidating real estate for charitable purposes because of their knowledge and expertise in processing charitable contributions. We have used their services several times and would encourage others to pursue this avenue of charitable giving.”
Ron and Lenora Stern

SCHOLARSHIPS

Many students have the qualifications and a genuine ambition to further their education, but they don’t have the means. You can help by establishing a scholarship fund.

When you create a scholarship fund, you can choose a restricted or committee advised fund and make it either permanent or nonpermanent. You determine the criteria for your scholarship such as financial need, class rank, GPA, leadership, etc. You can select scholarship awardees with the assistance of a committee using your criteria or assign a committee to make the decisions. TFEC administers the award process and payment of all awards each semester. Scholarships may only be used towards the cost of tuition, fees, and/or books.

TFEC Scholarship Funds
2018/2019 Academic Year

TFEC currently manages over 120 scholarship funds that relieve some of the financial burden that higher education can place on a student and their family.

A new scholarship fund established in 2018

NEW SCHOLARSHIP FUNDS ESTABLISHED IN 2018

Wiconisco High School Alumni Scholarship Foundation (WHSASF)

Originally established in 1991, this scholarship makes an annual award to graduates of Williams Valley High School, with the highest class rank (GPA) who also live in Wiconisco Township. WHSASF leaders transferred the assets of this private foundation to TFEC in 2018 to ensure its legacy will live on forever.

“Wiconisco Township, a small community located in northern Dauphin County, closed its high school after the class of 1965 graduated; however, Wiconisco High School Alumni have been celebrating their heritage with an annual reunion for the last 69 years. In 1991, board members approved the scholarship idea and made their first award in 1993. In 2013, alumni members began considering the future of the scholarship and how to best assure it would continue in perpetuity. After much research, the board approved the transfer of assets to TFEC in 2018. I have no doubt, WHSASF has not only made a very good decision, but the best decision we could have made in selecting TFEC.”

G. Dean Miller,
WHSASF Board President

A brighter future for the next generation of community leaders

Bernice M. Brightbill Fund
This restricted scholarship will be awarded annually to a senior female student attending the Central Dauphin School District pursuing a college degree in business studies.

Sheibley-Beasom
This scholarship was established to make an annual award to the Valedictorian, Salutatorian, and Honor Graduate of the graduating class of Newport High School each year.

Roland E. Dunkelberger Fund Scholarship
Roland E. Dunkelberger wanted to become a lawyer, but due to lack of funds, he was unable to attend college. This scholarship was established to support students graduating from West Perry High School with plans to continue their education at a college, university, or a trade or technical school.

Jeff Woods Memorial Scholarship Fund
Established to honor the life and memory of Jeffrey S. Woods, this scholarship will make an annual award to Cedar Cliff High School graduating seniors who were active in athletic, school, and community pursuits in high school and who are planning to continue their athletic involvement at a four-year college or university.

Jeff Woods Memorial Scholarship

Walters Services, Inc. Fabe & Beverly Walters Scholarship Fund
This fund was established to assist in making education more accessible because it can open doors for the future and enable individuals to pursue greatness with humility. This scholarship will make an annual award to children of employees of Walters Services, Inc. and/or seasonal employees (who are under the age of 26).
In addition to accepting direct contributions, TFEC assists you in making legacy gifts. Often these gifts are deferred based upon your personal estate planning and income needs. Even though gifts might be deferred, they could have immediate tax benefits. Deferred gifts include bequests, charitable remainder trusts, charitable annuity remainder trusts, charitable lead trusts, and real estate with retained life interest. If you make a legacy gift, you are invited to become a member of our 1920 Legacy Society. Members of the 1920 Legacy Society receive recognition on our website, invitations to special events, and a token to say thank you for entrusting TFEC with your legacy.

**Ways to leave a Legacy**

- Make a bequest to TFEC either creating a new fund or adding to an existing fund
- Create a Charitable Trust
- Donate Real Estate with a retained life interest
- Gift a Life Insurance Policy
- Gift your IRA/Pension/Retirement Plan

**1920 Legacy Society**

**Josef J. and Jean I. Cignetto Charitable Fund**

Joseph and Jean Cignetto first put down roots in Silver Spring Township in 1957. After the death of her husband in 1987, Jean continued to reside in Silver Spring Township until her death in 2017, at the age of 96. After remembering various other worthy charities, Jean directed the bulk of her estate to the Joseph J. and Jean I. Cignetto Charitable Fund. The goal of the fund is to support specified health care organizations, abused women and children, first responders, persons with disabilities, and animal welfare organizations.

**TFEC manages and serves as trustee for 44 charitable trusts including Charitable Remainder Unitrusts, Charitable Remainder Annuity Trusts, and Charitable Lead Trusts. These legal agreements transfer assets irrevocably to a trust, which then invests them and creates two (split) interests. You can establish these legacy gifts in order to increase the impact of your charitable gifts, receive a lifetime income, and/or qualify for income, gift, and estate tax benefits. Charitable trusts have a minimum $50,000 contribution requirement. In most circumstances, legal services are required and are available to you without charge through TFEC’s relationship with Nauman, Smith, Shissler & Hall, LLP.**

**Dean and Gail Stephens Charitable Remainder Unitrusts**

“**My husband and I were given the opportunity to purchase a special property with a 10-acre lake in 1985. We developed the property, located in Liverpool, Perry County, into Lake Heron Retreat, a Christian camping ministry for children and families. We saw this as our legacy and a way to return what God has given to us during our lifetimes.”**

Because our entire estate will support the Lake Heron ministry, we established two charitable remainder unitrusts through TFEC, one for each of our two sons. The CRTs are a gift to our sons, showing that they were remembered in our estate planning. The CRTs will provide them with extra income now and in their retirements. Upon the deaths of our sons, the principal in the CRTs will be transferred to the Lake Heron Conservancy.

**At the time of Dean’s death, in 2017, the family established the Lake Heron Conservancy, a nonprofit private foundation. This would be our last act of stewardship so that God’s work will continue after we are gone. The CRTs will ensure that our legacy, the Lake Heron Conservancy, will continue to be developed and supported in the future. It is truly a win-win situation.”**

Gail Stephens
NEW FUNDS

Agency Funds

Franklin County Library System Fund
This agency fund was created to ensure a sustained funding stream for the advancement of public library services in Franklin County.

Heartbeat Community Services Fund
Since 1985, Heartbeat Community Services has been providing resources to pregnant mothers and serving as a source of information for the community. This fund was established to ensure that the organization can continue to serve the community for another 30 years, and more.

Area of Interest Funds

Ross and Evelyn Knipple Fund
This fund was established to assist in alleviating childhood hunger and homelessness and to provide clothing and school supplies to children in need. Funds are to be directed to children locally, then nationally, then internationally, as necessary.

John and Charlotte Yanno Fund for the Welfare of Animals
This fund was established by John and Charlotte Yanno to support local animal welfare organizations. John and Charlotte have a strong passion for animals and want to make a positive impact on their lives.

Committee Advised Funds

Benevolent Fund for Family and Children Welfare
This fund will make grants to charities that do any or all of the following: combat homelessness and hunger, improve educational opportunities for children or adults, help children with special needs, and promote the general welfare of children, orphans, and victims of domestic violence.

Benevolent Fund for Cancer Research and Patient Care
This fund will make grants to charities that largely have a focus on pediatric cancer, assist survivors, offer payment assistance to families as it relates to cancer medical needs, offer housing in proximity to cancer hospitals, provide resources to improve child life services in children’s hospitals, and grief counseling.

Benevolent Fund for Military Personnel and Family Care
The contributions made to this fund will go towards serving military personnel, active duty or retired, and their families. This fund will make grants to charities that provide for an education, physical and mental therapy, in addition to the basic living needs of military personnel and those who care for them. This fund will also provide support to transitional services that aid veterans as they return to their communities. This fund will carry out the mission of Operation Rehabilitation.

Benevolent Fund for Emergent Needs
This fund will remain fluid, but the overarching goal is to use the donations in this fund to grant contributions to organizations that aid in natural disaster relief, animal aid and rescue and help those who are negatively affected by unexpected circumstances.

Benevolent Fund for Faith Based Initiatives
This fund will support charities that are Christ centered and perform social services for the most needy, poor, endangered and troubled.

Benevolent Fund for Domestic and International Missions
This fund will support charities that aid in domestic and international missions, frequently missions that support the healthcare needs of the communities they serve.

Benevolent Fund for Charitable Giving
This fund will hold contributions given by persons and organizations who want to support the Pillars with purpose efforts. This fund will be used to make charitable contributions to causes deemed worthy by the advisory board with oversight across all funds.

Established in 2018

Donor Advised Funds

Paula A. and Charles E. Bussard Fund
The Paula A. and Charles E. Bussard Fund was established to make charitable grants to nonprofit organizations in south central Pennsylvania that provide education, health, cultural, and other human services to vulnerable populations.

Robert E. and Miriam E. Goodling Foundation
Robert and Miriam Goodling chose to create a donor advised fund because their wish is to support two areas of interests: nonprofit organizations that provide services in the arts and those that provide services to the physically and mentally disadvantaged.

Dave and Linda Kutz Fund
We established this fund through the Perry County Community Foundation as a means of providing long-term financial support to nonprofit organizations in Perry County. Through our involvement with a number of these groups, and the wonderful staff and volunteers who serve each one, we have seen first-hand the important work they do for the community and we want to help them succeed in their efforts.

James M. and Janet M. Maynard Charitable Fund
James and Janet Maynard established this fund to meet their charitable goals and help their community by supporting nonprofits they love.

Nagle Davenport Charitable Foundation Fund
R. Nagle and N. Davenport established this fund to support nonprofits of their choice that serve our community.

Donna and David Schankweiler Charitable Fund
This fund, established by the Schankweilers, will support educational institutions, arts organizations and local nonprofits dedicated to serving their community.

Restricted Funds

Evan R. and Marguerite H. Bostdorf Fund
Established through the will of Evan R. Bostdorf, this fund will support three local churches, Queen of Peace Roman Catholic Church of Millersburg, First United Methodist Church of Millersburg, and Our Lady Help of Christians in Lykens.

Richard and Betsy Esser Family Fund
Richard and Betsy Esser established this fund to support nonprofits in the community.

Charles D. A. Wilson Fund
Charles Wilson established this fund to support nonprofits of his choice that serve our community, including Temple Ohev Shalom, Jewish Family Service, Greenbrier Historical Society, and Elizabethown College.
NEW PROJECTS

Established in 2018

TFEC can perform many internal functions for organizations or individuals who have a charitable purpose and wish to operate as a nonprofit organization.

Have you seen a problem in your community that you want to address? You might be thinking about starting a nonprofit organization to tackle the problem, but there is an easier option. TFEC can help you achieve your mission through the establishment of a project, allowing you to operate as a nonprofit organization through a fiscal sponsorship agreement. This agreement allows you to access the reputation, credibility, and fiscal acumen of TFEC, fundraise to support your charitable mission, give your donors tax-deductible for their gifts and, create good records of fiscal activity. TFEC has expertise in managing a wide range of charitable projects, from community health initiatives, to corporate and foundation grantmaking programs, to urban beautification initiatives. TFEC manages 62 projects totaling more than $1.5 million in assets (12/31/18).

The Greater Capital Region STEAM Ecosystem

The charitable purpose of the project shall be to instruct the public about a program integrating science, technology, engineering, the arts, and mathematics by championing 21st Century skills for life and working in local communities throughout the Greater Capital Region through a supportive ecosystem that builds the capacity of nonprofits & related causes. This purpose shall be achieved by establishing a local STEAM infrastructure that improves regional understanding of STEAM initiatives and programs and how they can be leveraged for the common good of individuals and communities. The Greater Capital Region STEAM Ecosystem will provide its members with strategic opportunities and resources to make a collective vs. isolated social impact in their local places. Members will also be given access to expand and diversify their social capital through the ecosystem as they work together to build trust, reciprocity, information sharing and cooperation for collective impact and sustained success.

IITF Harrisburg Peace Promenade

The charitable purpose of this project shall be to lessen the burdens of government in combating community deterioration by providing conservation, preservation, restoration, and dedication assistance to the care of City and County historic monuments and public arts exhibitions. The project will foster civic dialogue and establish a Trauma Informed Community.

Keystones

The charitable purpose of the project shall be to provide education and community enhancement via the Keystones Documentary series which chronicles the African American experience in the Capital region of Harrisburg, PA.

Mechanicsburg Wellness & Substance Use Awareness Council

The charitable purpose of the project shall be to provide substance use disorder (SUD) and mental health education to the Mechanicsburg Community as well as hold events to increase awareness.

The Sherman Foundation

The charitable purpose of the project shall be to provide support for established programs which provide services and create long-term solutions for people living in Central Pennsylvania who are recovering from opioid addiction, and for military veterans and service members living with post-traumatic stress disorder (PTSD).

Student Author Movement

The charitable purpose of this project will be to use established authors of children’s books to teach various techniques of writing, illustration and publishing to support for established programs which provide services and create long-term solutions for people living in Central Pennsylvania who are recovering from opioid addiction, and for military veterans and service members living with post-traumatic stress disorder (PTSD).

TFEC Early Education Initiative

The charitable purpose of this project shall be to unite local early childhood stakeholders to work toward the conscious establishment of a unified P-3 Community within Cumberland, Dauphin, Franklin, Lebanon & Perry Counties. This initiative will strive to collaboratively access shared resources, define key areas of need, maximize resources, and improve upon and expand services, while working to minimize barriers to implementation and ensure availability of high-quality programs, and will be empowered to carry out this work by TFEC and like-minded community funders. The defined areas of need are: School Readiness and Transition, Workforce Development and Establishing a Trauma Informed Community.

The charitable purpose of this project shall be to renovate and rehabilitate the West Shore Theatre so as to combat community deterioration and to foster, enhance and promote cultural activities in the Borough of New Cumberland and surrounding communities.

Susquehanna Folk Music Society | $2,500
Tri County Opportunities | $1,522
Industrialization Center | $2,500
World Affairs Council of Harrisburg | $2,500

GREATER HARRISBURG COMMUNITY FOUNDATION

The Foundation for Enhancing Communities

Sankofa African American Theatre Company’s name is derived from an Akan (Ghana) concept that means to learn from the past to gain wisdom, power, and purpose to build a positive future. This concept is the core of SAATC’s use of thought-provoking theatre that illuminates African American history, culture and influences. After nine months of visioning and planning, the theatre company was formally established in 2017. In its first year, SAATC experienced 2 successful productions (“Akeelah and the Bee” with Open Stage Harrisburg and “Voices of F.E.W.” with Gamut Theatre) and implemented an arts enrichment program for African-American middle school males at The Nativity School.

In 2018, the Arts for All Partnership was pleased to award $4,500 to Sankofa African America Theatre Company for its 2019 Programming and Production Season. With this funding, SAATC was able to create and implement “Peer2Peer”, an arts education and leadership outreach program. The Peer2Peer program gives African American high school students access to theatre training, leadership development, and mentoring experience, which they actively use to train other young people who have limited access to or exposure to theatre. These Peer2Peer student leaders delivered drama training and led improvisational exercises to a diverse group of young actors as part of artist development for the cast of “Akeelah and the Bee”. Additionally, these Peer2Peer leaders are developing and leading theatre training and cultural enrichment classes twice a week to middle schoolers at The Nativity School of Harrisburg, whose aim is to break the cycle of poverty for low-income inner-city boys.

“Sankofa African American Theatre Company’s Peer2Peer model is proving to be a successful way to introduce young African Americans to theatre while also developing and strengthening their social, academic, and life skills. These young minds, hearts, and spirits are being equipped, empowered, and encouraged to succeed through Peer2Peer programming which is made possible through the generous support from TFEC.”

Sharia Benn, Co-Founder and Managing Director
**THE PENNSYLVANIA IMMIGRANT AND REFUGEE WOMEN’S NETWORK (PAIRWN)**

Created to honor and enhance the lives of refugees and immigrants, the mission of the Pennsylvania Immigrant and Refugee Women’s Network (PAIRWN) is to help refer, advocate, network, educate, and empower immigrant and refugee women to live to their fullest potential.

In 2018, the Greater Harrisburg Community Foundation was pleased to award $8,000 to the Pennsylvania Immigrant and Refugee Women’s Network (PAIRWN) for its Seniors Program. Awarded funds will assist in the implementation of a program designed to combat isolation and psychosocial dysfunctions immigrant and refugee seniors face. Funding will help provide a safe space to gather for activities in PAIRWN’s office, including education, crafts, food, and other social activities. Within this program, PAIRWN will take seniors on various day trips to gardens, museums, and zoos; offering an opportunity to socialize, practice their English, explore their environment, acclimate to American culture, and create friendships. Additionally, PAIRWN will provide resources and referrals to participants for much needed social services, such as legal help and healthcare services.

EMPLOYMENT SKILLS CENTER

In 2018, the Mechanicsburg Area Community Foundation was pleased to award $10,000 to Employment Skills Center for its Nurse Aide Training & Employment Program for residents of Mechanicsburg. This program will help place graduates into entry-level careers, which can lead to career pathways in the high-demand healthcare field. Employment Skills Centers will work to recruit, train, and help place qualified participants into entry-level healthcare careers where they can earn a living wage and provide a much-needed service in our community. Participants will complete three weeks of pre-clinical training to prepare them for acceptance into the clinical training at HACC, including soft skills training, basic terminology for healthcare careers, teamwork and diversity training, and an overview of what a nurse aide’s role is and how they can be highly successful in employment. The clinical phase of training consists of an additional three weeks and provides classroom, hands-on, and actual training with residents. Upon completion of required coursework, graduates will take the PA State Nurse Aide Registry examination. Many graduates have continued their careers and are now in LPN and RN programs or positions.

In 2018, MACF awarded $48,040 to six organizations through discretionary grantmaking.

Discretionary-grantmaking refers to grants that are made in response to nonprofit applications for funding (i.e. competitive grantmaking) and is made possible by unrestricted and area of interest funds, allowing MACF to address the Mechanicsburg Area’s most pressing needs and promising opportunities as they change over time.

DIAPER Depot AT CENTRAL

In the U.S., one in three families with children in diapers are unable to afford this basic need and in response, the first Diaper Depot at Central was held in 2015 using funding from Central Presbyterian Church and many generous individuals. Forty-four families received diapers and a hot breakfast at that event. Three years later, Diaper Depot at Central serves an average of 170 families each month, providing fifty diapers for each eligible child, an all-you-can-eat hot breakfast, a variety of children’s clothing and items (obtained through donations), fresh in-season produce (courtesy of the Franklin County Gleaning Project), child care, dental checks by a local dentist and community health information.

In 2018, the Franklin County Community Foundation was pleased to award $7,000 to Diaper Depot at Central. Awarded funds will serve to support monthly diaper distributions that assist Franklin County families with babies and toddlers who have difficulty affording costly disposable diapers. Distribution events, during which families are invited to attend and receive the needed items, are usually held the third Saturday of each month. Each family is asked to provide basic information including their address, phone number, and names and birthdates of children. Families may register up to two children and receive fifty diapers or fifteen training pants per child each month. All Diaper Depot at Central work is done by volunteers, all guests are served regardless of financial status, race, religion, or ethnicity; and services are provided free of charge.

In 2018, FCCF awarded $74,976 to 15 organizations through discretionary grantmaking.

Discretionary grantmaking refers to grants that are made in response to nonprofit applications for funding (i.e. competitive grantmaking) and is made possible by unrestricted and area of interest funds, allowing FCCF to address Franklin County’s most pressing needs and promising opportunities as they change over time.

Diaper Depot at Central is grateful to the Franklin County Community Foundation for their support of this vital mission. The families served are appreciative because they are able to make ends meet or put more food on the table.

Dottie Bush,
Co-Chair of Diaper Depot at Central

2018 Total Grants
$412,834
(7.50% of total TFEC grants)
The Perry County Literacy Council (PCLC) is a nonprofit organization with the mission to provide educational programs for Perry County residents and families that will enable them to better function as productive and responsible citizens. The goal of self-sufficiency drives most participants to PCLC where a community of Adult Education and Workforce Development partners share space and participants, creating a seamless path out of poverty and unemployment that begins with adult education.

In 2018, the Perry County Community Foundation was pleased to award $3,228 to the Perry County Literacy Council for its Retail Training to Careers Program. Through this grant, PCLC will strengthen and expand its Career Pathways Program by enrolling a minimum of thirty-two unemployed, dislocated, or disabled high school graduates living on low incomes. Funding will help support the costs associated with instructional materials and testing vouchers for program students and will assist with the cost of an Employment Partners Coordinator.

In 2018, PCCF awarded $23,028 to 10 organizations through discretionary grantmaking.

- The Arc of Cumberland and Perry Counties | $ 3,500
- Healthy Steps Diaper Bank | $ 2,000
- Otterbein United Methodist Church | $ 2,000
- Perry County Council of the Arts | $ 2,800
- Perry County Literacy Council | $ 3,228
- Perry County Memorial Wall | $ 500
- Perry Historians Airy View School House | $ 1,500
- Retired Senior Volunteer Program of the Capital Region | $ 2,500
- United Cerebral Palsy Foundation of Central Pennsylvania | $ 3,000
- Volunteers of America of Pennsylvania | $ 2,000

Robert Isenberg was a student in PCLC’s National Retail Federation (NRF) Class in 2018. He was placed with Associates for Training and Development and assigned to work with PCLC to greet customers and assist with phone answering and clerical duties. Shortly after he began working at PCLC, Robert completed the training to work as a digital fingerprinting technician with IdentoGO, which is co-located with PCLC. Each day, Robert uses the skills he learned from NRF classes to offer high quality customer service to PCLC and IdentoGO clients.

"The NRF classes at PCLC really helped me believe in myself. I learned that I can do anything I want to as long as I apply myself. Working with the staff here at PCLC is really an honor. Everyone is so kind and I’m learning so much."

Robert Isenberg

THE ARC OF DAUPHIN COUNTY

Celebrating 66 years of advocacy this year, the Arc of Dauphin County works to assist individuals with intellectual and developmental disabilities and their families to become informed about resources, services, and supports that are available to meet their needs.

In 2018, the Camp Hill Area Community Foundation was pleased to award $1,000 to the Arc of Dauphin County for its Education Advocacy for Youth and Families Program. Funds awarded will be used to support the advocate serving the Camp Hill Area, who works to provide support to newborns and children through the third grade, and their families. The advocate will provide support to families working to navigate service systems such as education, developmental programs, federal and medical assistance, legal assistance, housing and transportation, social security, trusts and wills, and other community supports. In addition, the advocate provides one-on-one support for the consumer and family while educating the consumer, family, caregiver or professional on a variety of topics.

In 2018, CHACF awarded $4,000 to 4 organizations through discretionary grantmaking.

Discretionary grantmaking refers to grants that are made in response to nonprofit applications for funding (i.e. competitive grantmaking) and is made possible by unrestricted and area of interest funds, allowing CHACF to address the Camp Hill Area’s most pressing needs and promising opportunities as they change over time.

The Arc of Dauphin County | $1,000
The Edge Church | $1,000
Harrisburg Area YMCA | $1,000
Pennsylvania Family Support Alliance | $1,000

“A funding support is vital to our mission as we work to uphold the rights of all people with special needs, and promote a life of choice, opportunity, independence, and participation. Our advocates also help those with special needs to advocate for themselves as they step out into the world and become part of the fabric of their community. The Camp Hill Area Community Foundation grant will provide support; it will enable a positive step forward for people who need a professional to help them navigate, grow, and self-advocate.”

Craig George, President and CEO

In July 2018, the Camp Hill Area Community Foundation (CHACF) merged to become part of the Greater Harrisburg Community Foundation (GHCF). All funds of CHACF remain true to their original charitable intent and are now funds of GHCF.
The Melvin J. and Alice Gayle Reeder Scholarship was established in 2005 by their children in their parents’ memory. The purpose of the scholarship is to provide scholarship awards to graduating seniors of Northern High School.

In 2018, the Melvin J. and Alice Gayle Reeder Scholarship committee was pleased to award $1,000 to Hannah Jackson for the 2018-2019 academic year. Hannah is currently majoring in English Secondary Education at Millersville University.

“Millersville first caught my attention because it has a great reputation for producing well-rounded teachers. When I toured the campus, I knew that it was where I wanted to spend my next four years. After I graduate, I hope to quickly find a teaching position in a high school. I would also love to continue to volunteer my time with various organizations, as I have been doing for the past few years. I am so grateful for this scholarship because it helped me to get one step closer to earning my degree and starting the next phase of my life.”

Hannah Jackson
TFEC’S EARLY EDUCATION INITIATIVE

In 2018, TFEC’s newly formed Early Education Advisory Committee established overarching goals in alignment with TFEC’s Strategic Plan. The defined areas of need included school readiness and transition, workforce development, and creating a trauma-informed community.

School Readiness

The goal is to raise awareness of the impact of successful transitions through a regional expansion of our full-day transition conference. Children go through many transitions throughout their lives. One of the most important transitions is the one from the home or a preschool program to kindergarten that fall. TFEC is working to increase school readiness, early literacy, and family engagement by collaborating with school districts, child care centers, shelters, and agencies serving families within the TFEC footprint.

In 2018, TFEC’s Early Education Initiative once again published the Jump Start into Kindergarten calendar providing 12 months of school readiness activities, recipes, and resources for families in our five-county service area. It also includes information to assist children entering kindergarten, such as a school readiness checklist and details on school registration.

In May of 2018, TFEC hosted the very first Early Education Night at the Harrisburg Senators game. 2,668 people attended the event where family resources were distributed by local organizations including WITF United Way of the Capital Region, Include Me, Central Dauphin School District, Cumberland County Library System, Capital Area Head Start, and Dauphin County Mental Health.

Creating a Trauma-Informed Community

TFEC worked to support the growth and development of families and children over the past three years through the Parents & Partners Program, it became clear that many families within our communities face complex and multi-faceted barriers. Barriers vary from family to family but often include obstacles related to homelessness and transience, unemployment, substance abuse, and domestic violence. These individual, family, and community-level problems have immediate and long term negative effects on children’s ability to be healthy, happy, and safe as they learn and navigate their environment. Local teachers report that they see more children with increasingly negative behaviors who are less able to self-regulate and problem solve.

Workforce Development

The goal is for a more educated and engaged local business community around early education.

TFEC’s Early Education Specialists serve on the Future of Work, Innovation, and Entrepreneurship Team within the ENGINE of Central PA Ecosystem. This team will work to identify industries and business that are interested in engaging with Pre-K through 12th grade through a variety of ways. STEM Learning Ecosystems provide the architecture for cross-sector learning and offer young people access to STEM-rich learning environments so they can develop important skills in science, technology, engineering, and math throughout Pre-K-16, aligning to workforce development needs. Pennsylvania would like to have a STEM Ecosystem in the Capital Region. TFEC is working to address this need.

In 2018, TFEC hosted a free, half-day training in partnership with the Health Federation of Philadelphia. This training was designed to help participants develop skills to effectively support individuals with a history of trauma and to build understanding and application of trauma-informed strategies community-wide. Such behaviors trigger larger consequences that may include suspension, dropping out of school, and criminal behavior. In addition, systems designed to meet the needs of these children and families are often fragmented and difficult to effectively navigate.

In response, TFEC seeks to work toward the sustained creation of a trauma-informed community and know that such an approach must be a community-wide effort.

TFEC’S EARLY EDUCATION INITIATIVE

Enriching Communities

TFEC’s Early Education Initiative consists of an advisory committee, several task forces, and a committee charged with the development of a full-day transition conference. The advisory committee is comprised of representatives from various local organizations and serves as the driving force behind the development of the initiative.

School Readiness

School Readiness is the process of preparing students for success in school by ensuring they have the skills and knowledge necessary to succeed academically and socially. This includes providing a safe, healthy, and supportive learning environment that promotes academic achievement and social development.

TFEC’s Early Education Initiative aims to increase school readiness by providing resources and support to families and schools. This includes early literacy, family engagement, and transition support.

Workforce Development

Workforce Development is the process of preparing individuals for employment by providing them with the skills and knowledge necessary to succeed in the workplace. This includes providing training and support to individuals and businesses.

TFEC’s Early Education Initiative aims to increase workforce development by providing resources and support to local businesses and organizations. This includes training and support for schools, child care centers, and other organizations.

Creating a Trauma-Informed Community

TFEC’s Early Education Initiative focuses on creating a trauma-informed community. This includes providing resources and support to families and schools to help them address the impact of trauma on children and families.

Early Education Advisory Committee Members

TFEC’s Early Education Advisory Committee is comprised of representatives from various local organizations. The committee is responsible for overseeing the development of the initiative and ensuring that it meets the needs of the community.

TFEC’s Early Education Initiative is a collaborative effort that involves partners from various local organizations. This includes local businesses, schools, and other organizations.

TFEC’s Early Education Initiative is a collaborative effort that involves partners from various local organizations. This includes local businesses, schools, and other organizations.

TFEC’s Early Education Initiative is a collaborative effort that involves partners from various local organizations. This includes local businesses, schools, and other organizations.
In the culminating experience, the 2018 class applied their newly learned community and grantmaking skills by awarding a grant to a nonprofit organization serving Harrisburg and surrounding areas working to decrease childhood poverty by eliminating barriers to education: a topic chosen by the class after assessing community needs. After a competitive grantmaking process, the class awarded Brethren Housing Association a $5,000 grant.

For more information about EPP, please visit www.tfec.org/epp.

$25,000
To date, the Emerging Philanthropist Program has granted $25,000 to local nonprofit organizations.

$5,000
Grant amount awarded to Brethren Housing Association for their Transitions Youth Program.

WOMEN’S FUND

Changing the lives of women and girls

Established in 2000, the Women’s Fund broadens the awareness of, and response to, issues affecting women and girls through the power of collective philanthropy.

Join our Dream Team

The Dream Team was established in 2011 with a goal and purpose of encouraging 1,000 individuals to donate $1,000 each to create a permanent $1 million endowment. A $1 million endowment will enable the Women’s Fund to enhance the lives of women and girls in Central PA now and in the future. You can help us reach our goal by joining our Dream Team with a minimum pledge of $1,000 or $16.66/month. Combined with the more than 200 other members and pledges, your donation builds the endowment and delivers a lasting gift to the community for good, forever. Join our Dream Team today at www.womensfundpa.org.

In 2018, the Women’s Fund awarded $25,000 to 13 organizations.

In 2018, the Women’s Fund was pleased to award $3,000 to Bridge of Hope Harrisburg Area for Rental Assistance within the Neighborhood program. Modeled on a housing-first approach to ending homelessness, Bridge of Hope acknowledges housing as critical for single mothers and their children facing homelessness and prioritizes moving them into safe and sustainable housing quickly, followed by case management services to address other barriers to stability. In tandem, the Neighborhood program works to provide a long-term solution to family homelessness by focusing on building a network of supportive relationships. Families served reside in either Dauphin or Cumberland counties, seek employment within a career that meets the financial needs of the family, and remain in the program for an average of 9 to 24 months. This program offers tangible supports and social capital while providing intensive, holistic services to single women and their children.

Women’s Fund Awards

Each year, the Women’s Fund honors local women philanthropists at the Power of the Purse with the Karen Snider Women in Philanthropy Award, given to individuals who are outstanding contributors of their time and talent to benefit the lives of women and girls in our area. In 2018, we were honored to recognize Dr. Robyn Holder and Ann Pehle, who join the ranks of 17 other award recipients.

New in 2018, the Rising Philanthropists Award honors young women, between the ages of 21-35, who work to impact local organizations serving women and girls and who have distinguished themselves as a leader in the South Central PA community. In 2018, the Women’s Fund was pleased to present Jeshanah McLeod with the inaugural Rising Philanthropists Award.

BRIDGE OF HOPE HARRISBURG AREA

In 2007, a group of women joined together to address the growing need for homelessness services for women and children in the Harrisburg Area. Today, Bridge of Hope Harrisburg Area continues to serve single women-headed households, where the root cause of homelessness is family isolation and lack of resources available to the overwhelming number of women and children facing homelessness in our community.

In 2018, the Women’s Fund was pleased to award $1,000 to Bridge of Hope Harrisburg Area for Rental Assistance within the Neighborhood program. Modeled on a housing-first approach to ending homelessness, Bridge of Hope acknowledges housing as critical for single mothers and their children facing homelessness and prioritizes moving them into safe and sustainable housing quickly, followed by case management services to address other barriers to stability. In tandem, the Neighborhood program works to provide a long-term solution to family homelessness by focusing on building a network of supportive relationships. Families served reside in either Dauphin or Cumberland counties, seek employment within a career that meets the financial needs of the family, and remain in the program for an average of 9 to 24 months. This program offers tangible supports and social capital while providing intensive, holistic services to single women and their children.

“Without a home, a family’s ability to meet its other basic needs becomes extremely challenged and is often nearly impossible. Safe and sustainable housing is a key factor in a family’s ability to increase their income and overall resources, helping them avoid relapse into homelessness. Our solution is to increase our capacity of women and children served while providing each a hand-up to achieving safe and sustainable housing, strong and resilient families all within a well-built network of support.”

Johanna Jessenden, Executive Director
NONPROFIT SERVICES

TFEC offers foundations and nonprofit organizations several options to achieve their mission today and in the future. Additionally, TFEC provides expertise to nonprofit organizations to help make smart, safe, and secure financial decisions to achieve their strategic goals.

Management Services
Overseeing a nonprofit organization or private foundation can mean being pulled in multiple directions. Through a Management Service Agreement with TFEC, your organization can divest itself of some tasks and focus on what you love: achieving your mission. Through this contractual relationship, a personalized package including options from accounting services to investment management is created, providing efficient financial administration and freeing you and your organization to focus on mission-related activities. TFEC currently administers 16 management services agreements, with assets totaling $40.9 million (12/31/18).

Agency Funds
An Agency Fund is an endowment fund established by a nonprofit organization with the goal of creating a permanent source of funding for your organization. You can depend on this yearly income as either a new funding stream or a way to continue to grow your endowment. Income from your Agency Fund lessens the pressure to raise current operating dollars and helps to smooth the ups and downs of economic business cycles. Endowment funds also send a positive message to your donors: Your nonprofit organization has achieved a key measure of financial stability and intends to carry out its mission for generations to come.

Hersha H. and Hasu P. Shah Family Foundation
The Hersha H. and Hasu P. Shah Foundation (commonly referred to as Shree Krishna Foundation or SKF) is a charitable trust supporting the medical, educational, and scientific needs for the impoverished in India and around the World.

Heartbeat Community Services Fund
Since 1985, Heartbeat Community Services has been providing resources to pregnant mothers and serving as a source of income for the community. This fund was established to ensure that the organization can continue to serve the community for another 30 years, and more.

SKF proudly recommends TFEC’s value-creating management services which allow our organization to focus on growing toward our goal of sponsoring 1 million sight-restoring surgeries. The professional TFEC team has enabled us to divest of time-consuming tasks while seamlessly growing our private foundation’s footprint. SKF looks forward to a continued long-term partnership with TFEC.

OUR MISSION
Inspire giving by partnering with donors to achieve their charitable goals, and strengthen our local communities by investing in them now and for future generations.

OUR VALUES
INCLUSION
We believe that all voices are vital for our region’s future. We promote equity and embrace the diversity of individuals, ideas, and expressions.

STEWARDSHIP
We are prudent and grateful stewards of the assets, time, and talent entrusted to us.

ENDURANCE
We value creating permanent legacies that support long lasting community change.

INTEGRITY
We will accept nothing but the highest standards of honesty, mutual respect, confidentiality, and transparency.
