

HARRISBURG HOOPLA

#COMPETEFORACAUSE

City Island, Harrisburg | June 4, 2022

The Emerging Philanthropists Program (EPP), a partnership of Harrisburg Young Professionals (HYP) and The Foundation for Enhancing Communities (TFEC) will be hosting the 4th Annual Harrisburg Hoopla. It will be a full day event consisting of teams competing in various events such as physical games (individual and teams) and puzzle-type games. Each team will represent a local nonprofit organization and compete to donate a portion of the event's proceeds to that nonprofit! A portion of the event's proceeds will also benefit the Emerging Philanthropist Fund at TFEC.

EPP teaches HYP members during a year-long program what it means to be philanthropic, to understand the needs of their community, and what they can do to make an impact. EPP members choose a single area they feel is the greatest need in our community, solicit grant applications from nonprofit organizations working in that area and complete the year by issuing a \$5,000 grant to the best applicant. For more information on EPP, visit www.tfec.org/epp.
