[Comments About Your Information](#)

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you may have received a total amount of Pell Grants that equals or exceeds the cumulative total you can receive.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit <https://StudentAid.gov> and select Types of Aid/Loans for more information.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Based upon data provided by the National Student Loan Data System (NSLDS) and your grade level, we have determined that you may have received a total amount of undergraduate student loans that is close to or equal to the loan limits established for the federal loan programs. Therefore, your eligibility for additional student loans may be limited.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,195 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

[Your Financial Aid History Information](#)

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.
