#### 2020-2021

#### Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

Application Receipt Date:	01/19/2020	XXX-XX-9761 CA 01
Processed Date:	01/21/2020	EFC: 0 *
		DRN: 3252

#### **Comments About Your Information**

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

The parents' marital status you reported in Item 58 does not appear to agree with the parents' tax return filing status reported in Item 81. If one of these items is incorrect, click 'Make FAFSA Corrections' on the 'My FAFSA' page to make the correction. If the information you reported is correct, make sure the income information reported in Items 84 through 87, 91, and 92 correctly reflects your parents' 2018 income.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,195 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

### Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS</u>) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

I have always wanted to help people; this is why I want to go to college to study psychology. I want to be able to watch these people grow into themselves and watch them become happy and more mentaly stable. I think I have always wanted to go into the therapy profession because I also have needed/do need therapy. I battle with my inner thoughts a lot and I struggle with letting myself be happy and accept the happiness in my life. I want other people that struggle with that, to become better because I know how it feels to have your thoughts tell you what you are and what you are not.

When I was younger, I went to therapy and I also went throughout my life, I keep going back, especially when things get really rough. Therapy has always helped me be able to cope with myself and everything that goes on around me. Being able to talk to someone and trust in them is a really big thing for me, it makes feel like I am not alone and that my feelings are valid. I want people to feel that too, to feel safe around me and feel like I can offer them a sense of valdiness and make them feel like they are not alone.

Helping people has also been a thing that I have always enjoyed. In my friend group, a lot of them come to me when they are upset, maybe it is because they trust me or they feel closest to me, either way, I have always been happy to help them. I enjoy just sitting back and listening to them talk. When I do not know what to say, I just listen to them and when they are done, I will ask what they need and try to help them through it.

I want to be able to help everyone who needs it. I also feel like there need to be more therapists in the world because mental health is a big deal and more and more people are starting to get help. I want to get the best education I can to do the best I can for other people around me and going to college will help me achieve that.

To Whom It May Concern:

I would like to offer my highest recommendation for Searia Calhoun to receive your scholarship for the fall of 2020 semester. Searia is currently a senior at Upper Dauphin Area High School and is scheduled to graduate in June of 2020.

Searia has been active in numerous activities while at UDAHS. Music has been a huge part of her life for many years. She has participated in our school's marching band since eighth grade, serving as librarian of the marching band during her junior year and drum major during her senior year. Furthermore, her love of music is evident in her participation in chorus for the past four years, serving as librarian during her sophomore year, historian during her junior year, and section leader during her senior year. Because of her musical achievements, she earned her way into County Band during her sophomore and junior years and County Chorus during her senior year. She has also held acting roles in five musical productions, in addition to participating in our school's performing group, the Trojanettes and Trojanaires for her entire high school career. Her enjoyment of performance is also exhibited in her involvement in the A Capella Club and Improv Club as well.

As for her academic achievements, Searia is currently ranked in the top ten students of her graduating class. She has earned Honor Roll and Distinguished Honor Roll during every year of her high school career. She was also inducted into the National Honor Society last year and maintains her membership with excellent academic standing this year. In addition, she has participated in the Pennsylvania Free Enterprise Week during her junior year.

In her community, Searia keeps active in many ways. Utilizing her love of music, she has performed with the Trojanaires at the Elizabethville Christmas Tree Lighting, the Berrysburg Winter Festival, and has sung at Hershey's Candy Lane. She has also assisted with a community Dodgeball Tournament for the past two years, and served as an author in an art project called "Step Up". Furthermore, she enjoys shoveling snow for the elderly and her neighbors during the winter.

I have had the honor of being Searia's Honors Algebra II teacher during her freshman year, and I currently instruct her in Harrisburg University's College Algebra course during her senior year. I am pleased to share that Searia puts her heart and soul into every task she encounters. She always exhibits superb responsibility and organization skills, and her exemplary level of motivation to succeed and achieve to her highest potential is very evident in her work. She goes above and beyond all expectations in every task presented to her. Furthermore, in observing her interactions with her elders and fellow classmates, she consistently displays excellent team work skills, cooperation and manners.

I have no doubt that Searia will continue to be successful after high school in all of her endeavors. The hard work and dedication she possesses both in and out of the classroom will lead to her success in college and long afterwards. Therefore, I am proud to give my strongest recommendation for Searia Calhoun to receive your scholarship for the fall of 2020 semester.

Sincerely, Mrs. Emily Renn

To whom it may concern:

I am writing this recommendation for the Thomas Balsbaugh Memorial Scholarship Fund on behalf of Searia Calhoun, a current student in my twelfth grade Honors English course (a dual enrollment introduction to composition course) and former student of my ninth grade Honors English course. As a teacher, I recognize so many strengths in Searia as a student.

As I have had the opportunity to know Searia over several years - since I first met her as an ensemble member for our production of *The Wizard of Oz* when she was in sixth grade. We next crossed paths in her ninth grade year - both as a student and as one of the orphans in our production of *Annie*. We have worked on five musicals together in all and I have noticed that she was - and is - careful with her words and her desire to do her very best has been evident in everything she does. This has also shown in her other activities - taking on leadership roles in marching band and concert band and chorus. She has managed to juggle her activities with a part-time job at Burger King.

Academically, Searia has proven to be just as dedicated to doing her best. In both ninth grade and twelfth grade, she would ask questions and make sure she met deadlines and she would take feedback in for thoughtful consideration. She is organized and she has shown the desire and initiative to learn more about her chosen field of psychology.

Searia's junior year was marred by the sudden loss of her older brother. Working through and growing up while grieving is difficult, to say the least. Searia has always been empathetic and kind and concerned about others, but I see her desire to help others and her interest in psychology as a positive way to channel what she has experienced and learned as a result of this loss. I truly feel that she will be an asset to this field and will be dedicated to her studies because she sees how she can make a difference in this world through this work.

I am confident that Searia will continue to challenge herself and succeed as she moves forward with her studies. I offer this letter as my recommendation of her and would be willing to offer you more information if you desire by contacting me via email at <u>minnichc@udasd.org</u> or by phone at 717-215-7712.

Sincerely,

Cynthia B. Minnich
