#### > Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 2090. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you have received Pell Grants for the equivalent of between one-half and one school year.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Be sure to review the items marked with a h and make any corrections if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

The number you have reported for your parents' number of family members is significantly different than the number you reported on your FAFSA last year. Review Item 72 and make a correction if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 2090, you may be eligible to receive a Federal Pell Grant of up to \$4,145 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

### > Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location

### Samuel L. Abrams Foundation Scholarship

Perusing a college degree has always been part of my plans, from a young age I was taught the importance of education. In my family I am the first to have graduated high school, so getting into college was a huge achievement for us. I believe I need to obtain a post-secondary education because I want to break the chain but also be a positive role model to the younger children in my family. As a person of color in my community we are constantly faced with challenges that in many cases can inhibit our ability to pursue higher education. I have faced many challenges of my own but I also know that there are people who are looking up to me and supporting me. I will not let them down and I am willing to show them that no matter the situation you should strive for your goals.

I chose to attend the Pennsylvania State University because of what they can offer me. They have a network of alumni all over the country whom I can connect with. I have chosen University Park Campus because it is away from home but close enough to where I can get a college experience and tell my younger family members about. Most importantly, they have a strong nursing program in which I am confident I can learn everything that is necessary to succeed in my career.
