Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS</u>) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Morgan Clark TFEC essay Samuel Abrams

As long as I can remember I have wanted to go to college. I have always wanted a good life and I have seen what a college education can do in this regard. The salary for a person with a degree versus a high school diploma is very different. I want to put myself in a position to make the best out of life.

Cheyney State University is an HBCU (Historically Black College/University) which is one of the reasons I was drawn to this school. It is one of a few in the state of Pennsylvania and it allowed me to stay close to home and still experience the life on an HBCU campus. Cheyney is historic as one of the first colleges for African Americans and this was important to me as well.
