> **Your Financial Aid History Information**

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Nursing

What do you want to be when you grow up? This question was asked throughout my education at Greenwood School District. It wasn't until middle school that I began to think about the answer to this question. I told my dad that I wanted to do something where I could help people and he suggested I think about nursing. As I got older, I realized that this was the path I wanted to take.

I can't attribute my interest to pursue nursing to one experience. I watched my grandma suffer from rheumatoid arthritis and saw how the nurses impacted her in many ways during her hospitalizations. Over the summer of 2018, my mom severely broke her ankle and nurses had an integral role in her recovery. I had the privilege to babysit a Type 1 Diabetic boy over this past summer and got a glimpse of what it was like to live with diabetes at such a young age. My interest in nursing grew as my experiences did.

Over this school year, I've had the privilege of shadowing nurses throughout different hospitals. I've gotten to see, first-hand, the impact nurses have on patients in hospitals. Patients that come into the hospital are full of many different emotions. A hospital can be overwhelming and cause anxiety, stress, irritability, and other emotions for patients in addition to their original health issue. The nurses that I have shadowed made every patient feel comfortable in an environment that is not normal. It is my goal to offer that same support that I have witnessed other nurses provide throughout my life.

To The Roberta L. Houpt Fund Scholarship Committee:

I, Brenda Flanders, Greenwood Business Teacher, compose this letter of recommendation for Cory Davis for The Roberta L. Houpt Fund Scholarship.

From my experience with Cori Davis I can say that she is indeed a model student. She earns great grades and accomplishes school requirements and projects diligently while managing her busy schedule with Field Hockey, commuting to College Courses and various community/school service activities. Ms. Davis strives for excellence in all her courses and extracurricular activities. Ms. Davis is very driven to succeed in everything she does.

I commend Cori Davis for taking an intense schedule during her senior year, she is has a full load of courses and is taking other opportunities to challenge her mind and strengthen her love for knowledge, her schedule is filled with many courses beyond the standard curriculum including Business Electives in Business Law and Hospitality and Tourism which are not part of her major in the Medical Field.

Cori Davis has a great understanding of how hard work and diligence will allow her to succeed at anything she does. I highly recommend Cory Davis for The Roberta L. Houpt Fund Scholarship.

Sincerely,

Mrs. Flanders

Dear Sir/Madam:

I am pleased to be writing to you today on behalf of Cori Davis, and her pursuit of a scholarship from the Roberta L. Houpt Scholarship Fund. I had the pleasure of having Cori as a student in my Chemistry class her sophomore year. Cori consistently showed the curiosity and intelligence needed for a student to be successful in a scientific field.

Cori would often pick up on details that her peers overlooked and applied the concepts from class seamlessly into laboratory projects. The combination of her natural intelligence with her perseverance and work ethic ensured that Cori was a successful chemistry student and will also ensure her continued success in whatever endeavor she chooses to pursue.

In the greater Greenwood community, Cori has been quite active in a variety of roles. While I cannot speak directly to them, she has shown the ability to work well with other students in both leadership and supporting roles. She also has exhibited excellent time-management strategies that will serve her well in the future.

In brief, I'm more than happy to give Cori Davis my full recommendation, knowing that she is a deserving recipient for your scholarship, and that she is someone that you will be proud of supporting. If you require any more information, I may be reached through e-mail at btomko@greenwoodsd.org or by phone at 717-589-3117. Thank you for your time and consideration.

Sincerely,
