

HARRISBURG HOOPLA

Competing for a cause!

City Island, Harrisburg - Saturday - June 3, 2017

Let the Games Begin!

The Emerging Philanthropists Program (EPP), a partnership of Harrisburg Young Professionals (HYP) and The Foundation for Enhancing Communities (TFEC) will be hosting its first-ever Harrisburg Hoopla. It will be a full day event consisting of teams competing in various sports/activities such as tug-o-war and volleyball. Each team will represent a local nonprofit organization and compete to donate a portion of the event's proceeds to their charity! A portion of the event's proceeds will also benefit the Emerging Philanthropist Fund at TFEC.

EPP teaches HYP members in this year-long program what it means to be philanthropic, to understand the needs of their community, and what they can do to make an impact. EPP members choose a single area they feel is the greatest need in our community, solicit grant applications from nonprofit organizations working in that area and complete the year by issuing a \$5,000 grant to the best applicant. We expect a great deal of interest and participation in this event and are currently seeking sponsors!

The official registration and financial information of The Foundation for Enhancing Communities may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1.800.732.0999. Registration does not imply endorsement.
