

EMERGING PHILANTHROPIST PROGRAM

The Emerging Philanthropist Program (EPP), a partnership between The Foundation for Enhancing Communities and Harrisburg Young Professionals, provides resources and educational opportunities for Harrisburg’s developing leaders who wish to be actively engaged in giving back to their community. This year-long program covers topics such as needs of the community, grantmaking 101, fundraising 101, and wealth management practices. In the culminating experience, the class applies their newly learned community and grantmaking skills by awarding a grant to a nonprofit organization in a funding priority chosen by the class after assessing community needs. Since 2014, the Emerging Philanthropist Program has granted \$35,000 to nonprofit organizations serving the Harrisburg area.
