► Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

You are not eligible to receive a Federal Pell Grant because you reported that you have a bachelor's degree (Item 28) or you are working on a degree beyond a bachelor's degree (Item 47). Your Financial Aid Administrator will determine what types of federal student aid you are eligible to receive.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit <https://StudentAid.gov> and select Types of Aid/Loans for more information.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Based upon data provided by the National Student Loan Data System (NSLDS) and your grade level, we have determined that you may have received a total amount of undergraduate student loans that is close to or equal to the loan limits established for the federal loan programs. Therefore, your eligibility for additional student loans may be limited.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

I have been accepted into the Masters of Adapted Physical Activity (APA) program at Slippery Rock University. This field of study has grown into a passion of mine during my time as an undergraduate and I feel further study in the field will be beneficial to me. APA is very important for the development of individuals with disabilities and I feel very strongly for this group of people. A Master's degree in APA will make me more marketable and put me in a better positions to help disabled individuals in need.

I've chosen to attend Slippery Rock because it is the school that I graduated from. This is where I'll feel most comfortable as I continue my education. I have connections with professor's and other professionals who will help me to excel and succeed in my graduate studies. Slippery Rock is also one of the very few programs in the country that offers the coursework and experiences that I am looking for. Hence, A Masters in APA will provide me with a stronger knowledge base to help the disabled population to be healthy and I've chosen Slippery Rock because it is the only school that I know.
