Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

WARNING: If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

I spent most of my junior year as many other students my age would, by touring colleges and trying to decide where I wanted to stay for the next 4 years to continue my education. I even dedicated my spring break to touring multiple colleges. They all offered me something different, whether it was class size, location, types of classes offered, or student living, it all comes down to being such an important decision, and I wanted to make sure I made the right choice. It wasn't until October 2017, as I sat in Schenley Park at the University of Pittsburgh campus that I decided that I could see myself going to school there. I watched the college students around me studying and walking around the park, enjoying the beautiful weather, and I had a spectacular view of the Cathedral of Learning, where I knew I wanted to spend lots of late nights studying with friends of my own. Pitt offers so much, between its beautiful campus and architecture, all of which has a rich history and notable alumni that walked through the halls of each educational building. One of the most incredible benefits of Pitt is the numerous amount of opportunities it gives to students in every aspect - whether it be internships and job offerings in the heart of Pittsburgh, over 400 student organizations to join, or over 100 majors to choose from - I truly felt I had the chance to do almost anything as a student at Pitt. The Pitt student body has great spirit as well, and it is clear to see that all of the students truly love their school, and there is a sense of connectedness within the vast number of students there. I also knew Pitt would be a great fit for me since I grew up listening to my mother and father talk of their time on campus, as they both graduated all those years ago. They had such a sense of pride talking about their college years, and how incredible the school was, and I felt as if I had a personal connection to the school because of this. I hope to continue their legacy and continue to thrive at such an extraordinary school.
