Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

Application Receipt Date:	11/03/2019	XXX-XX-9756 GA 07
Processed Date:	02/27/2020	EFC: 0

Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,195 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

As the population rises, the need for more increases as well, more housing, food, schools, etc. With my degree, I want to formulate new communities as well as showcase the history behind the people and the land. But one of my biggest wishes is to be a voice for nature as well. Every day, I see construction happening, new highways, apartments, stores, and other first world necessities being build. But I never see anyone cleaning the pollution on the streets, or new homes for the animals being created. With my degree, I'm inspired to develop more self-sustaining or eco-friendly structures. Nowadays, buildings are already being created to multitask, house people and clean water. For example, Temple University has begun taking advantage of green rooftops, aiding drought resistance and minimizing the number of chemicals washed into the streets. Another example could be the University of Pittsburgh, the university has many buildings with Leadership in Energy and Environmental Design (LEED) certifications.

If I was to attend the University of Pittsburgh I would major in urban studies. With the notable name of the university and skills I will gain there I would be able to either go to graduate school soon after or land a job not long after graduation. The city of Pittsburgh is known to have one of the highest job placement rates for new graduates. After gaining experience under my belt, I will be able to achieve my dreams and either work for the federal government or the local government on issues they may face.
