## Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

NYU is one of the most expensive schools in the country with an average tuition of 78,000 dollars. I will work a job on campus as well as at home in order to support myself, however, it won't be enough without running into a great deal of debt. I am paying for my education by myself as well as continuing to help myself and my single mother of four pay bills who works a minimum wage job, so I would be extremely grateful to receive this scholarship, as it will lift such a heavy weight off my shoulders. I want to be able to enjoy my dream school without having money being a constant issue in the back of my mind. I am so excited for what the following years have to offer for me, and I will feel a great sense of gratitude if I am honored with this scholarship. Thank you to The Foundation for Enhancing Communities for offering such a fantastic opportunity to the bright students of central Harrisburg.

Samuel L. Abrams Scholarship

I've always been interested in the music industry. Although, ever since I released my own music to streaming platforms, I became intrigued with the statistics, the distribution, the copyright rules, and more. When I found out Music Business was something I could study in college, it is an understatement to say I was thrilled. I researched where the most prestigious programs were and how each one would allow me to earn the best education I could possibly get. I applied to NYU with dreams of wanting to get in and being saturated by all things music in New York City. The program offers opportunities like no other program and is certainly the best place to further my education. I am so lucky and grateful to say that I will be attending there for my B.M. in Music Business. With the education I gain from there, I am hoping to enter the career of Music Business as an artist manager or becoming part of a record label. I want to ensure that any artist that puts trust in me is receiving well-informed business advice and assistance with decisions. The music industry is one that is extremely dynamic and I want to keep up with it in order to provide my future artists with decisions that will improve their career and lead them into a successful future. I want to submerge myself with every layer of the industry there is and learn more and more about it every day. I am excited to continue my education at NYU and am even more enthusiastic for all that I will explore after what I assume will be a challenging, yet fantastic four years.

Congratulations on your admission to NYU! On this page you will find your estimated cost of attending NYU for one year, your financial aid offer, and the next steps you need to take to secure your financial aid.
