► **Your Financial Aid History Information**

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

**To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location**

**WARNING:** If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

*In no more than two paragraphs, explain why you believe you need to obtain a post-secondary education and why you have chosen the school you will be attending.*

I enjoy math and science and I am very interested in the big and small questions of the world and how it works. Therefore, I plan to study physics or astrophysics in order to explore the mysteries of the universe and how humanity can better understand it, interact with it, and respect and preserve it for our generation and for generations to follow. I look forward to discovering and then expanding the limits of our knowledge of the laws of physics, to improve the lives of individuals and for the advancement of our society.

I have decided to attend Colby College because it is an excellent liberal arts college with a robust physics program. I look forward to learning from great professors and alongside amazing students, as well as immersing myself in life of this small college and all the opportunities it has to offer. Because the institution is highly selective, Colby does not offer merit scholarships other than a small award for National Merit Scholars, but fortunately this school was nevertheless relatively affordable, which when combined with its academic rigor and small college atmosphere make Colby the ideal place for me.
