**Renewability**

The HomeBuilders Association Scholarship is a one-time only award. Students are eligible to reapply for three additional years. Each year begins a new process and receipt of financial aid from the foundation in prior years is no assurance of receiving financial aid in the future.

**Matching Award Opportunities**

*AES/PHEAA's PATH Program:* Scholarship recipients are eligible to have their awards matched on a dollar-for-dollar basis by AES/PHEAA's *PATH* ("Partnerships for Access to Higher Education") Program. PHEAA may grant matching funds to scholarship recipients who are enrolled in an approved Pennsylvania college or career school, who are a state grant recipient, and who demonstrate financial need. The match provides last-dollar support for tuition and fees. The scholarship recipient's information is submitted to PHEAA by TFEC staff. No additional work will be asked of the scholarship recipient. For more information regarding AES/PHEAA, please refer to their website at [www.pheaa.org](http://www.pheaa.org).
