### Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

I have always envisioned myself as pursuing higher education. I have this innate and genuine desire to pursue Criminal Justice as a field of study. There are varied sectors of society requiring assistance from graduates of Criminal Justice and different opportunities are open for me to engage in. As a high school senior, I am aware that my intention to enroll in advanced studies necessitate the use of resources – physical efforts, mental skills, as well as financial support to make my academic goals possible. I currently have the determination and perseverance to solicit different avenues for financial support. It is in this regard that I am seeking a scholarship from Samuel L. Abrams Foundation Scholarship.

I am in dire need of scholarship money, specifically \$20,000.00 per year to pay for the college tuition for each academic year. I have one little brother who is also intent on maintaining his high academic performance. Unfortunately, my parents do not have the financial resources to support me, although they genuinely encouraged me to pursue higher education for personal and professional growth. Both of my parents work but have no savings which should have provided support for financial requirements for my college. Currently, we live from paycheck to paycheck. In this regard, I sought other options to assist my college education, specifically through scholarship funds.
