#### ► Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

Based on the information we have on record for you, your EFC is 987. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 987, you may be eligible to receive a Federal Pell Grant of up to \$5,245 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

> Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

Musarrat Hossain  
Scholarship Essay

Many things have influenced my future education plans from education, extra curricular activities, and even my community. The type of education I received and the classes I chose to take made me want to take a higher education path. The school I attended didn't offer many classes, so I took the opportunity to take all the Honor and AP classes I could possibly take to receive the highest education I could possibly pertain. By taking harder curriculum based classes I understood that education is knowledge no one can take from you and understood that college was the next best step for me to further my educational degrees in various fields.

Extracurriculars helped me narrow down what I wanted to do. I was involved in many different clubs and sports. I was apart of the cheerleading and softball team which taught me how to work as a team and communicate. I was also apart of the music program in our school and did concert band and marching band where I was the section leader for the clarinets and the drum major for the whole band. Through this I learned how to be a leader and be a role model to my younger peers. Lastly, I was class president for four years of high school where I helped plan and organize events for my class. Through these I learned various skills and understood that I would be great in a business career field. But most importantly my community has taught me that I wanted to make a difference in the world.

I have lived in poverty based area my whole life and going to a Title I school I have faced many adversities. The surrounding communities stereotype my school as undisciplined and uneducated and doubt the students potential. This has made me want to work even harder and show people that Steel-High students can be successful and can be impactful to the world in a positive and influential way. All three of these factors have helped me to understand that I want to go to college to obtain a business degree and use that to make a difference in the world.

**LETTER OF RECOMMENDATION FOR MUSARRAT HOSSAIN**

I am delighted to write in support of Musarrat Hossain who I have come to know through her enrollment in two of my courses. Her current weighted cumulative GPA is 108% and she is ranked first in her class. She maintains this impressive academic standard while also being an active participant in a number of extra-curricular activities.

Musarrat excels in the classroom by taking Honors and AP courses with us. She sustains this excellence in her academics while also contributing to the climate of our school through her involvement and leadership in a number of our programs. Musarrat has been involved in our cheerleading and softball programs, in addition to being a drum major and section leader in our marching and concert bands respectively. Moreover, Musarrat was elected by her peers to represent the class of 2020 as their class president. She is a member of the National Honor Society and the National Scholar Society. Throughout her high school career, she has also participated in the Upward Bound program run by Pennsylvania State University. Outside of school, Musarrat gives back through community service, including her involvement with the annual Ryan Mohn Memorial Walk.

Whether Musarrat is working in the classroom, on the field, or as a leader in our school and community, her diligence and dedication are always easily recognized. She is a mature, thoughtful young woman who is determined to succeed in all of her future endeavors. I could not think of another student that I would recommend at a higher level than Musarrat to receive the G. Thomas Balsbaugh Memorial Scholarship.

Sincerely,

Robyn St. Hilaire

**MUSARRAT HOSSAIN  
G. THOMAS BALSBAUGH MEMORIAL  
SCHOLARSHIP FUND RECOMMENDATION**

I proudly recommend Musarrat Hossain for the G. Thomas Balsbaugh Memorial Scholarship. Musarrat has been my student since she started playing clarinet as a nine year old. I have watched her mature and succeed, and now move competently into her next level of education.

Musarrat has always been an achiever. She knows the benefits of hard work and determination, having excelled in academics as well as several extra-curricular activities. With her integrity and work ethic, I'm confident Musarrat will be successful in her college coursework.

Musarrat's ability to navigate the various obligations and demands of her current commitments shows that she is ready to make the next step into higher education and college life. She balances school, band, cheerleading, sports, work, family and friends, while maintaining her high grades and senior class valedictorian status.

I know Musarrat will be a success. This scholarship will help her continue to reach her goals. Without any hesitation, I fully recommend Musarrat Hossain for the G. Thomas Balsbaugh Memorial Scholarship.
