Admissions Office

January 16, 2020

Skyler Iskric 601 Mountain Rd Marysville, PA 17053-9745

Dear Skyler,

Congratulations! On behalf of the faculty and staff, I am pleased to offer you full admission to York College of Pennsylvania, for Fall 2020.

We have admitted you directly into our Pre-Nursing program, a program designed to prepare you for our Nursing curriculum through course exploration and interactions with our Nursing faculty. This option provides a strong path to meet your career goals, and upon successful completion, you will be automatically admitted into the full Nursing program. We were unable to offer you admission directly into the nursing program at this time because of the limited seats and your current academic qualifications did not meet the competitive admission standards. For automatic full admission into the nursing program you must:

- Complete all required sciences classes with a 2.8 GPA average D
- Complete all pre-requisites for NUR 210 with a grade of 2.0 or greater ٠
- Complete successfully NUR 101 ۰
- Hold a 3.0 cumulative GPA average •

After successful completion of the above criteria, students will apply formally for admittance for the Nursing program so that clinical placements can be assigned. Placements are assigned based on available openings. Applications will be accepted twice a year no later than May 15th and September 15th.

From your application, we notice that you are looking for a personalized education. At York College, we offer small classes that allow you to build one-on-one relationships with your faculty and fellow students. We are confident that these connections will help you find success throughout your college career. Welcome to the Spartan family.

Now is an especially good time to be a student at York. Chartered in 1787, York has a rich history of educating students with a commitment to provide extraordinary educational experiences inside and outside of the classroom. Here, you get to know faculty members in small class settings, and the college is large enough to provide you the same opportunities as from a major university with nationally known academic programs, 23 NCAA Division III sports, world-class and cultural programs, more than 110 clubs and organizations, leadership and engagement programs, and much more. More than 90% of our graduates are employed and/or in graduate school within months of graduation! Should you wish to change your academic program selection, please contact your admission counselor.

Skyler, we are excited about your joining us as part of the Class of 2024. To reserve your seat, please submit your deposit and follow the next steps on the enclosed personalized informational sheet. If you would prefer to explore another one of our 60 majors, please contact your admissions counselor, - they would be happy to discuss any of our majors with you.

From day one, you will find your educational home with the York College community and an opportunity to thrive in a nurturing, caring community dedicated to your success. I look forward to welcoming you to campus and getting to know you over the next four years!

Sincerely,

Dr. Daniel J. Green Vice President for Enrollment Management

#### **Comments About Your Information**

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 864. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

#### Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS)</u> Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Financial aid to attend college is very important to me and may be the deciding factor on where I attend. My parents are not financially stable and are not able to contribute towards college. My uncle started college in the fall of 2019.

My mother's mom passed away in 2014 unexpectedly, she was 52. She had a son, who was 14 years old at the time. Once she passed, my parents received guardianship over him. They did not receive financial assistance. My grandmother did not work, she was on disability and his father was not involved. He made my parents sign documentation stating they would not come after him financially, this was the only way he would sign over guardianship.

My father's business has not done well the last few years. This has put a financial burden on our family. I try to work as much as possible, this way I am able to pay for things as well.

### Personal Essay: Skyler Iskric

Taking care of others has been a crucial part of my life ever since I was young. As a child, I spent a lot of time in doctors' offices and hospitals. My great-grandparent's cared for me while my parent's worked. I would sit and listen to what the nurses had to say, I always asked many questions, wanting to understand what everything meant. As I grew older, I knew I wanted to build a profession on the principle of assisting others heal and for this reason I chose nursing school.

As a prospective nursing student, I know that fulfilling my duties, as a nurse requires much more than just a desire to help others. I know that nursing requires you to make tough decisions in critical situations, and it is the thought of this responsibility that I will carry through nursing school and my career. I understand that I am limited as to what I learn in college verses working hands on in the field. I believe that upon becoming a nurse you learn many more things that can't be acquired no matter how many lectures you listen to.

I believe that I possess the determination and motivation needed to finish the nursing program and continue on to become successful nurse. I hope to become someone who can make a difference in the lives of others through nursing. Attending nursing school will provide me with the skills and knowledge I need to make my dream of becoming a nurse a reality.

**Recommendation for Skyler Iskric:** 

It is my pleasure to write this letter of recommendation for Skyler Iskric, a senior at Bishop McDevitt High School in Harrisburg, Pennsylvania. I have had the pleasure of acting as Skyler's high school counselor for the past three years.

Sklyer is always looking for ways to improve her academics. Skyler has challenged herself a great deal by taking a variety of college prep, accelerated, and honors level courses. Because of Skyler's dedication to her studies and desire to be the best student that she can be, Skyler has prepared herself well for her future education. Skyler's GPA of 3.16 is a direct reflection of her work ethic and her close attention to detail. Skyler was able to successfully increase her GPA each year she was enrolled at Bishop McDevitt High School. Skyler's hard work in the classroom does not go unnoticed. Skyler has earned many awards including the National Society of High Scholars and the Honor Roll. Skyler wishes to pursue a degree in Nursing and I am positive that Skyler will be successful in whatever endeavor she wishes to pursue.

Skyler is a very important part of the Bishop McDevitt community. She is involved in Track and Field, Spanish Club, Art Club, and Student Ambassadors. Skyler has also been able to balance academics, extracurricular activities, and work experience. Skyler has worked for Hershey Park, Giant Food Stores, and Youth Baseball.

Skyler is a wonderful student and I strongly recommend her for consideration to your program. I believe she would be an asset to your institution. Please contact me if you have any additional questions about Skyler.

Sincerely,

Bryan Stovall School Counselor bstovall@bishopmcdevitt.org
