Personal Essay

My father is supporting a family of 5. When looking at how we will be be financing the college year my parents will be helping me pay for some of the cost of freshmen year that is affordable for them, especially while also trying to help my sister who is a current college student. The majority of the cost will be covered by scholarships or by myself with money I earn throughout the years including loans.

#### 2020-2021

#### **Electronic Student Aid Report (SAR)**

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

XXX-XX-5382 LE 02 Application Receipt Date: 10/16/2019 Processed Date: 04/06/2020 EFC: 1057 \* DRN: 6787

#### **Comments About Your Information**

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 1057. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 1057, you may be eligible to receive a Federal Pell Grant of up to \$5,295 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

### **Your Financial Aid History Information**

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average 5 to 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. My parents were born and raised in a small ranch in Mexico. Growing up especially as the oldest male in his siblings, my father never had a choice but to work to support his family, never getting the chance to go even start school. My mother never got the opportunity to finish schooling. They knew they wanted more from life for their children. Fast forward to the first time I heard the term "Turner Syndrome" when I was a child. After years of consistent ear infections, and a lack of growth I was diagnosed with the genetic disorder meaning, I was born with a single X chromosome compared to the normal double X chromosomes. This meant many medications to support the hormonal imbalances caused by the condition. Including a growth hormone injection. The medicine ended up causing intracranial hypertension. I was stuck getting surgery in the hospital on Christmas. Fast forward to when my younger brother was born. We soon found out he was born with Autism, and verbal Apraxia (a neurological condition preventing him from being verbal and being able to communicate). My education is a way to appreciate all the sacrifices my parents made allowing me choices and opportunities they never had. I also cannot continue to let myself be the thing that is holding me back in life. Education gives me a choice in my life, self-dependence, and confidence in myself through the path that it will allow with the path to a job. It will also allow me to support the person I love most in the world, my brother. He will most likely never be able to hold a supporting job.

I hope to study accounting. The world of business has been growing and changing, but the minority applicants to accounting programs has been weak. The new and upcoming businesses with diverse faces need more people who can represent them in a similar nature. With the skills I learned from activities I have been a part of such as STEM Mentoring, and the Leadership Enterprise for a Diverse America (a summer program held at Princeton that focused on supporting the higher education of students under represented in higher level institutions through

support including an Aspects of Leadership college like course) I hope to be able to mentor youth in my field. I hope to study accounting at the Pennsylvania State University. This particular university has always been special to me since I was a child as I visited specialist run by Penn State Health. With my sister being a Penn Stater, as it close to home (something beneficial for my appointments) I have become familiar with the campus. The community at Penn State is so proud of their school making the school a very special place to be surrounded by, while studying at one of the top institutions for accounting (ranked 19), which will do more than well to prepare me with one of the best business programs in the nation with great networking skills from the large alumni (largest living alumni). After being accepted into the Schreyer Honors Program, I knew I could make the big campus feel personal.
