#### **Comments About Your Information**

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

You are not eligible to receive a Federal Pell Grant because you reported that you have a bachelor's degree (Item 28) or you are working on a degree beyond a bachelor's degree (Item 47). Your Financial Aid Administrator will determine what types of federal student aid you are eligible to receive.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Based upon data provided by the National Student Loan Data System (NSLDS) and your grade level, we have determined that you may have received a total amount of undergraduate student loans that is close to or equal to the loan limits established for the federal loan programs. Therefore, your eligibility for additional student loans may be limited.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

#### **Your Financial Aid History Information**

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Total Amount of Loans Outstanding -					
FFEL (Bank Loans) and/or Direct Loans:	Total Principal Balance	Remaining Amount to be Disbursed	Total		
Subsidized Loans:	\$18,819	\$000	\$18,819		
Unsubsidized Loans:	\$19,189	\$000	\$19,189

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

**WARNING:** If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

In today's day of age, there's endless possibilities of careers to obtain. It takes a driven individual to journey and take the initiative to find that career worth chasing. Several decades prior, an individual could graduate high school, find a steady trade, and make that their life-long career. In retrospect, you may not find a trade or occupation that may give you the skillset or knowledge to last you a lifetime, although some still exist; its considered a rare find. A post-secondary education could open an exploration of rich knowledge, skills, trade, and life-long networking that could enhance your attributes and contributions that you share amongst your community and society. Although post-secondary education may not favor everyone's interest due to choice and circumstance, it's always a positive notion that you can obtain a skill that could offer some contribution to your community (e.g. Photography, HVAC, Accountant, First-Aid).

I chose Brookdale Community College because it offers a diverse range of courses, a welcoming community, an affordable college experience, and reputable staff to prepare me in my next role in life. I'm looking to finally get back and complete my college journey. I want to give back, wholeheartedly, but I do need a post-secondary education to have my ambitions come into fruition.
