load. I plan to work 1 weekend per month to stay involved with My Gym and then work there during the holiday and summer breaks. I hope to use the money that I earn to cover my day-to-day expenses and also review my savings annually to determine what extra I can put toward the tuition and room/board. My parents and grandparents have saved a bit of money through the 529 plan which will help but the rest will be supplemented with my earnings or loans.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

I believe that it is extremely important to branch out and receive a post-secondary education. Furthering your education after high school gives you the opportunity to try new things, further your interests, and bring your knowledge to a higher level. Specifically for elementary education majors, having a post-secondary education is crucial. It is imperative because there are so many teaching techniques and styles that you can only learn from a post-secondary education environment. On top of that, it is imperative to learn from new people and hear their points of view and experiences.

When I was looking for a college where I would receive my post-secondary education, I was looking for a few specific things. When visiting colleges, I kept in mind the early elementary education program, the school campus, and the extracurricular opportunities available that I could take part in as a student on campus. I have chosen to attend Shippensburg University in the fall as and Early Elementary Education major. I visited this college two times before committing to the school. Some of the things that stuck out to me that helped me make my decision is the staff and teachers' commitment to helping the students succeed. The staff made it very apparent that they were there to help me do my best to reach my goals. Another big reason why I chose this school is because they were originally a school specifically for teachers. With a history as a "teacher's college", the school is known to have an amazing teaching program where I know I can succeed.
