Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

My Interest in Nursing

My chosen field for my future career is nursing. I have always known that I have wanted to do something in the medical field but it has taken me quite some time to figure out exactly what I wanted to do. To help narrow down my options, I took part in a Penn State Mont Alto's medical camp to explore my options. Throughout the week, campers traveled to a number of different medical facilities and explored all sorts of career paths. Medical professionals would talk to the campers and explain their jobs, the schooling they went through to get there, and what their lives look like outside of work. I was fascinated with every job because they were all diverse in different aspects. At the end of the camp, I had shrunk my pool of options quite a bit as I knew that I did not want to be in school for the rest of my life and wanted to be able to have a family yet at the same time be involved in health care. In high school, I took my classes very seriously and focused on taking science and math courses as I knew that those are the classes I would be focusing on in college. I took a number of difficult courses including AP biology, AP Calculus, and anatomy and physiology. After talking to a number of different people about my future, I narrowed down my career path to becoming a nurse because I have a passion for caring for others as well as for being in healthcare. Both of these passions will benefit me within my career as it will make me feel closer to patients and feel more connected to them.

To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Makenna Morris. I have known Makenna for the past four school years at the Shippensburg Area Senior High School. As the school librarian, I have had the opportunity to observe Makenna's participation in different classes and in a variety of activities. She is an outstanding student in all respects. I believe Makenna to be a well-rounded student — achieving high grades, participating in extra-curricular activities, fostering friendships, volunteering in her community, and working part-time jobs to save for college.

Makenna will be graduating in the top fifteen percent of her senior class and is an active member of the National Honor Society, Math Honor Society, and Spanish Honor Society. She has consistently been named to the high honor roll and was selected as a SASHS Student of the Month. This past school year, Makenna left high school daily to take classes at Shippensburg University where she excelled. I am confident she will continue to thrive intellectually.

In addition to her academic achievements, Makenna is an excellent athlete. As an assistant track coach and swim timer, I have observed Makenna's leadership, work ethic, and drive to constantly improve her abilities. She represented SASHS at both the state and national level, lettered all four years, and holds four school records in swimming.

Makenna is involved with many areas of the school and community. She is a member and officer of Environmental Club and Broadway Club. She has volunteered at Special Olympics and YoungLife. Makenna is a swim instructor for the Shippensburg Aquatics Club and volunteers at Shippensburg University track meets. With such a bubbly personality and natural leadership ability, Makenna has made a difference in her school and community.

Shippensburg Area Senior High School prides itself on promoting excellent character and Makenna exceeds my expectations. She is consistently cheerful and polite to her peers and the SASHS faculty. I look forward to hearing about Makenna's future successes and recommend her without reservation.

Sincerely,

Scott Burkholder, Librarian

To Whom It May Concern:

It is a pleasure to write a recommendation for Makenna Morris. I have worked with Makenna for three years. She was a student in the tenth grade Honors Environmental Science course that I teach. She also has been an member in the Environmental Club and NHS, two student organizations that I am an advisor to for. Makenna has always demonstrated a responsible, dedicated and mature attitude about her work and toward others.

As a student, Makenna demonstrated what could be accomplished through hard work, determination and setting goals. She has maintained a 4.0 grade point average while involved in many extracurricular activities. Makenna has been very committed to the Environmental club and was the secretary her senior year. Beyond her secretary duties for the club, Makenna has accumulated 20+ of community service hours through the senior high recycling program. Makenna has also completed 15+ community service hours through her membership with the NHS and continues to demonstrate the values of character, service, and academics that are the corner stones to our NHS members.

In addition to her role in the Environmental club and NHS, she is active in; Spanish Honor Society, Math Honor Society, Broadway Club, Young Life, CMY Club swim team, and a member for the senior high's girls swim team. On top of all her extracurricular activities she has completed, she also finds time to work life guarding at Shippensburg Memorial Pool, Chambersburg YMCA, and Rita's. Makenna continues to demonstrate her ability to manage her time as she continues to balance a demanding academic schedule, extracurricular activities and outside commitments.

I have been impressed with her maturity, sincerity and concern for others. Makenna has always treated others with respect. She is a very well rounded individual who will apply herself to all future endeavors. I look forward to hearing about Makenna's success in the future.

Sincerely,

Nathanael Gulnac
