After high school I plan on going to Lock Haven University and dual majoring in Early Childhood and Special Education. I also plan on continuing my running career at Lock Haven. Throughout high school I was always interested in teaching and I just did not know where in education I wanted to be. After helping in the life skills classroom at my high school, I learned that I wanted to teach special education. During my senior year, I had an internship in a life skills and an intensive learning classroom at a local elementary school. It has only helped show me that I want to teach after high school. I have been part of the cross country, swimming and track teams at Mechanicsburg. I have learned time management very quickly and I have learned to balance my social life with my school life. There were times where it came down to choosing between going out with my friends or staying home and having a little time to myself. Weekends slowly melt away as I get farther and farther into the season having weekend competitions. By the end of each season there are times where it is really challenging to get myself to complete my homework and get all my schoolwork. Participating in three sports I have learned ways to motivate myself and entering the end of each season I rely on my motivation to graduate to get me through my homework. Going into college I am not afraid that I will not be able to manage my college work and my running training. I am excited for the challenge and I am excited to see where it takes me.

Dear Operation Wildcat Scholarship Fund:

It is a privilege to write this support for [REDACTED] a phenomenal young lady, for the opportunity to be granted a scholarship from the Operation Wildcat Scholarship Fund. I have known [REDACTED] since she was in elementary school and have witnessed tremendous growth and development, not only in academics and leadership but in maturity and character as well.

Being a Director at the corporate level for a mid-size non-profit organization, I see many qualities in [REDACTED] that we look for in future leaders. I have observed [REDACTED]'s abilities and hard-working attitude many times over the years. Two of her strengths are her compassion and inclusiveness and those are especially evident when she is volunteering to help with Buddy Ball, a local baseball organization for children with special needs or through her work with PALS and during her internship at Northside Elementary School in the Special Education classes.

[REDACTED] is admired and respected by her peers, not an easy task. Even though she has been the Captain of the Cross Country and Track Teams and a leader on the swim team, [REDACTED] remains modest and grounded. She accepts challenges with grace and composure. A few months ago I witnessed [REDACTED] as she faced an adverse situation. An angry parent of another Cross Country runner approached [REDACTED] (as Captain of the team) after practice one day, screaming and ranting about her daughter being called out for bullying another runner. [REDACTED] stood up to the runner who was being bullied and modeled how the adult should have handled the situation. I was very impressed with [REDACTED]'s maturity and self-control.

I feel confident to recommend [REDACTED] as a top candidate for a scholarship from your fund. She is a natural leader with a genuine interest in helping others and making a difference in her community and the greater world. She certainly would be a positive investment of your generosity and will no doubt continue to offer valuable contributions to society.

Please do not hesitate to contact me with any questions. I can be reached on my cell phone at 717-903-4585 or via email at vmvluv@comcast.net.

Sincerely,

Victoria M. Velez
