My SAR does not reflect my family financial status. My mom took a \$13,000 pay cut 2 years ago and has not recovered that pay loss. I am paying for my own education; my parents are not paying my college. The past 4 years I have worked during the

summer as a lifeguard to help pay for my college. I have also worked at school. Due to the pandemic, I was not able to work my job this spring and the pool I have worked at in the past is not opening this summer. I have applied for several jobs, but I do not currently have one. I am concerned about being able to pay for tuition and rent this upcoming year. Any financial help would be appreciated.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS)</u> Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Total Amount of Loans Outstanding -

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, halftime, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly.

WARNING: If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

My SAR does not reflect my family financial status. My mom took a \$13,000 pay cut 2 years ago and has not recovered that pay loss. I am paying for my own education; my parents are not paying my college. The past 4 years I have worked during the summer as a lifeguard to help pay for my college. I have also worked at school. Due to the pandemic, I was not able to work my job this spring and the pool I have worked at in the past is not opening this summer. I have applied for several jobs, but I do not currently have one. I am concerned about being able to pay for tuition and rent this upcoming year. Any financial help would be appreciated.
