Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit (AOTC)*.

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you have received Pell Grants for the equivalent of between one-half and one school year.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,195 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Letter of Extenuating Circumstances: Cayetano M Reyes

Almost 5 years ago, my mother passed away unexpectedly. My father has not been involved in my life. My sister and her husband received legal guardianship over me. After a long process, my father finally agreed to sign the papers as long as my sister would come after him financially. My sister has two children ages 17 and 13 and they do not have a lot of money themselves so I knew taking on another child would be a financial hardship for them. They do not have the means to support me financially through college and my niece is graduating this year and will be a freshman in college in the fall.

I have always dreamed of going to college but I also knew the money played a huge factor in the process. I would be the first in my family to attend college. I want to be able to provide a better life for my family. This scholarship is extremely important, it would allow me to continue following my dreams and ease the financial burden. I am studying Criminal Justice, I want to help others and give back to the community. I have always wanted to be a State Trooper but I also want to keep my mind open to other avenues in the criminal justice field.

I appreciate you giving me the opportunity. It truly means a lot to me.

Personal Essay: Cayetano Reyes

Education plays a vital role in shaping successful individuals. It gives each of us the opportunity to become a productive member of society by acquiring the necessary skills. Education is important to me especially if I want to follow my dreams of becoming a Pennsylvania State Trooper. Attending college will allow me to learn new things, find a good job and lead a respectable life.

I decided to attend Edinboro University of Pennsylvania in the fall of 2019. When deciding where I was going to attend I considered many things: they had a one of the top criminal justice programs, the campus and the opportunities they had to offer me. Edinboro has strong ties with the community and alumni which will help me when looking for an internship as well as a career. When I went to visit the campus it was evident Edinboro was a good fit for me.
