Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

Application Receipt Date:	10/01/2019	XXX-XX-2760 RI 04
Processed Date:	01/15/2020	EFC: 0 *
		DRN: 4715

Comments About Your Information

Learn about [federal tax benefits for education](#), including the *American Opportunity Tax Credit* (AOTC).

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Be sure to review the items marked with a 'h' and make any corrections if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

We assumed you did not file and will not file a 2018 income tax return (Item 32). Review this item.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,195 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average 5 to 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. To whom it may concern:

As the scholarship application indicates, I am writing to you about extenuating circumstances that I feel this foundation should be aware. Recently, I lost my grandmother to cancer that took us all by surprise. It was very sudden, and quick, preventing my mother from continuing her position at her job. Due to this unfortunate circumstance, she did have to leave her job and we are currently financially unstable. My father is not involved in any part of my life, it is just my mother, nephew, and myself. As of right now, she is looking for employment and I am attempting to apply to as many scholarships as possible for college. Please don't hesitate to contact me at preciousmriviera@gmail.com or (717)-592-0010.

Thank you for your time in this matter and this scholarship opportunity.

Sincerely,

Precious Rivera

The Roberta L. Houpt Fund Scholarship

Growing up in an environment where love was a common factor in my home, I quickly learned to incorporate it into my everyday life. As a daughter, sister, friend, aunt, and many more, I try to be the most humbling and cheerful person who I aspire, especially as a Nurse Practitioner. Despite the unfortunate circumstances of financial instability and losing my grandmother to sudden stomach cancer, I partook in rigorous courses and opportunities that contribute to my long-term goals that would lead me to a successful career in Nursing.

When my grandmother was first diagnosed with stomach cancer, I made it my priority to assure that she was as comfortable as possible. Caring for her came as an instinct, and I carried out each task with patience and compassion. Whether I was giving her a daily dose of insulin or hand feeding her, we found joy in every moment. After she passed away, I continued to seek further information on careers that would allow me to be myself while sharing my love with others. I wanted to be someone that took the time to appreciate different cultures and empower others during challenging times, like my grandmother when she was ill. Personally, I think being a nurse is more than saving lives... It is bringing light into someone's life when they're clouded with darkness.

Even in the most extenuating circumstances, I try to keep an optimistic perspective that can motivate others to have the same attitude. I want the opportunity of bringing peace into someone's life, and I believe nursing can offer me this chance. Therefore, I will focus my education on nursing at HACC and bring my aspirational goal of helping patients into existence.

To Whom It May Concern:

I have had the pleasure of working with Precious Rivera for the last year. She was in my Keystone Biology preparation group and Honors Chemistry last year and is currently in the AP Environmental Science class. I have found her to have a strong work ethic, a generous personality, and a natural leader. SciTech is a blue ribbon STEM school in the Harrisburg School District that offers only classes at honors and higher levels. Precious works diligently in class uses all the resources provided and creates many of her own. While her grades in her freshman year suffered as she grieved the loss of her grandparent, she grew so much as a student that she was able to go on a volunteering trip to the Dominican Republic and maintain distinguished honors.

Her school record does not show the complete picture. From small thing offering encouragement or passing down her notecards after she passed the keystone to large endeavors like raising money for charity, Precious is helpful to everyone at school. Outside of school, she tutors and has homework help time for kids in her neighborhood. When she heard there was a climate strike in our town, she made posters and recruited her friends to go too. I am excited that she has agreed to be a science lab assistant in the fall because she is already grabbing, cleaning, and setting up in the few minutes that I see her in the morning. So while our school did not have clubs last year, she has invested that time to create her own spaces to make a difference in the community and lead.

I strongly recommend Precious Rivera because her strong work ethic, generous spirit, and leadership will benefit each community that she enters.

Warm regards,

To whom it may concern,

I have had the honor and privilege of knowing Precious Rivera at the Harrisburg High School - SciTech Campus during the past two years as a student in my General and AP Psychology classes and Dual Enrollment US History. She has exemplified maturity and surrounds herself with positive, uplifting people. She is an excellent mentor and role model for younger students. I have witnessed Precious transformation from a student who was able to work on assignments with a goal of completion into a true leader that is able to master content with a deeper purpose and meaning demonstrated by very few adults.

Precious achievements do not only exist in the academic realm, as she is a tireless volunteer who is an excellent fundraiser. She has been a participant in our local Latinx community charity and education programs where she is a mentor and student. Precious participated in a service learning trip to the Dominican Republic as a sophomore and has continued to excel as a community based agent of change.

This is normally where, as a recommender I pile on the platitudes of excellent classroom performance. Yes, Precious is able to compete with some of the best students I have taught in the last 16 years. She challenged herself with college coursework as a junior and continues with that track as a senior. She is seeking out further opportunities outside of school attending the PULSE program at the Pennsylvania State University Medical School which exposes students to medical based coursework to further that passion. However, when you meet Precious, you are taken aback with her shy and self-deprecating manner. Soon, however, you come to find that she has an engaging personality and a quick wit. Her infectious smile and pleasant personality make her a natural leader among her peers. Her dry sense of humor coupled with her uniquely sensitive nature make her a great communicator.

I am proud to have known and been a part of the development of this upstanding young woman. I know of few other high school students who compare with Ms. Rivera. If I can ever be of assistance, I may be reached at (717) 703-1900. Thank you for your time and consideration.

Sincerely,

Kevin P. Varano
