Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSAID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSAID in a safe location.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average 5 to 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly.

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.

By answering questions 101a through 101t, and signing the Free Application for Federal Student Aid, you give permission to the U.S. Department of Education to provide information from your application to the college(s) you entered. You also agree that such information is deemed to incorporate by reference the certification statement on the sign and submit page of the financial aid application. The certification statement can be viewed at StudentAid.gov/2021/help/certification-statement.

WARNING: If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.
