Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

XXX-XX-3925 RO 01 Application Receipt Date: 11/11/2019 Processed Date: 11/12/2019 EFC: 8195 DRN: 4949

Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 8195. You are not eligible for a Federal Pell Grant but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit https://StudentAid.gov and select Types of Aid/Loans for more information.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Be sure to review the items marked with a 'h' and make any corrections if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

We assumed certain information to calculate your eligibility for federal student aid. We printed the assumption we made and a 'h' for each of these items. If our assumptions are correct, do not change them. If they are incorrect, you need to make the necessary corrections by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

We assumed the value for number in college (Item 73) based on your parents' marital status and number of family members. Your parents should not be included in the number in college. Review this item.

The number you have reported for your parents' number of family members is significantly different than the number you reported on your FAFSA last year. Review Item 72 and make a correction if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Total Amount of Loans Outstanding -							
FFEL (Bank Loans) and/or Direct Loans:	Total Principal Balance	Remaining Amount to be Disbursed	Total

Personal Essay

In the future, I desire to become an OB-GYN physician assistant. As a physician assistant, I plan to focus on maternal and obstetric health to help aid women through their healthcare needs and their family planning goals, while bridging a gap between the disparity of African American maternal and infant mortality. I want to become a PA because of the availability to change specialties and have a healthy family-work balance. Surgery, pediatrics, and rheumatology are just a few other specialties I would like to work in as a PA. Over the last two years, I have grown as a person and student at Temple University. My major, Health Professions, has allowed me to find my chosen path for medicine. At Temple University, I am apart of Women and Medicine, Black Health Professional Association, and Temple Pre-PA Organization.

In these organizations I've been able to make connections with PA students and was given the amazing chance to shadow a physician assistant at an outpatient facility. I am also a member of Philly Philathrophy in which we donate and bring awareness to the homeless population in North Philadelphia. In these organizations, I learned about navigating in the health community after my bachelor's degree while understanding the disparities of both minorities and women in healthcare today. This scholarship would allow me to continue my education for my upcoming junior year, while continuing to learn and grow as a student of Temple's community. Financially, the first two years of my education have been a battle but I continued to persevere and not let these obstacles stop me from all of the opportunities Temple has given me. Attending Temple University has allowed me to make connections with individuals such as my PA-S mentor and this scholarship would help me continue to make all of this possible as I matriculate into a Physician Assistant Master's program.
