#### Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS)</u> Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

#### Personal Essay

I believe obtaining a post-secondary education in extremely vital for a numerous amount of reasons. Knowledge is the strongest weapon an individual can have, especially because I am a minority. By continuing my education past my undergraduate experience, I know that I will be well equipped to soon find a job in the school counseling field. Receiving multiple degrees is extremely beneficial, as I set an example for my younger family members who attend inner city Harrisburg public schools. I feel that I serve as a role model and I must hold myself to a certain status.

I wanted to attend Loyola University Maryland because their school counseling program is one of the best programs in Maryland. I did my research and the success rate for recent graduates is very high as they compete to find a job. This is important to me because I wanted to attend a university that would help me to become prepared to enter the workforce. I love the diversity of Loyola and I feel that it is important that I surround myself with individuals of all backgrounds and ethnicities.
