I plan to work in a work-study program as well as a part-time job if time allows to help pay for some of my education. I was given a \$10,000 academic scholarship from Clemson University which helps to minimize the amount of loans I will have to take

out. My family is unable to help pay for any college (beyond buying my college laptop) as a result of the unsuccessful dairy industry and having to care for my 5 other siblings.

#### 2020-2021

#### **Electronic Student Aid Report (SAR)**

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

XXX-XX-1719 SE 03 Application Receipt Date: 10/27/2019 Processed Date: 02/11/2020 EFC: 1261 \* DRN: 0494

#### **Comments About Your Information**

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 1261. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 1261, you may be eligible to receive a Federal Pell Grant of up to \$4,945 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

#### **Your Financial Aid History Information**

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Financial Information

Family & Children's Services of Lebanon County Fund

I live on a dairy farm with my parents and five siblings, and due to the cost of raising six children as well at the low income of dairy farming, my parents are unable to help cover any costs of college. This means that (along with loans) I will be fully funding my college experience on my own.

More recently, due to the COVID-19 shutdown, I have had to help cover groceries and other bills because there is little to no income coming from the farm. The dairy business essentially shutdown when schools and restaurants did because those are the two largest contributors to dairy consumption and purchasing. The money I have been saving up to put towards my college fund is being used to keep my family afloat during this time so now, more than ever, I need assistance from scholarships like this one to keep my dream of going to college alive.

Reagan Sellers

I plan to enroll in a four-year bachelor's program to major in either Biology or Exercise Science and then go on to Graduate school to obtain my Doctorate in Physical Therapy. After gaining my Physical Therapy license, I hope to become a travel therapist before I settle down into a more permanent job. Working in travel therapy will allow me to see the country and work in different environments and with different people that I wouldn't be exposed to if I went straight into a set place job. When I'm ready to settle down in one place, I hope to find a job working at a sports clinic or with a sports team. Sports have made a significant impact on my life so my partiality falls towards helping athletes get back to doing the activities they love.

To Whom It May Concern:

It is with honor that I write this letter of recommendation for the Family and Children's Services of Lebanon County Fund Scholarship for Miss Reagan Sellers. I have had the pleasure of teaching and interacting with Miss Sellers during the majority of her high school career. Not only is she a phenomenal student, but she's a positive role model for members of the community to look up to. I can only hope to address the many fine qualities she demonstrated while I was her teacher at Annville-Cleona Secondary School.

Reagan Sellers has all the tools to be extremely successful in college. Academically, she has the intelligence, work ethic, and organizational skills to earn excellent grades in whatever course she takes. She understands the importance of education and is not afraid to seek help when needed. When she doesn't understand a topic in class or has questions, she heeds no hesitation when asking for assistance. This is a very important skill for incoming freshmen, as I feel this shows maturity and the desire to want to succeed. Miss Sellers also demonstrates all the social skills needed to succeed in the real world. She is kind hearted, caring, and easy to hold discussions with. She works well with any student in a group setting and is often viewed as a leader within these groups. She is approachable and dependable both in and out of the classroom.

Beyond the classroom, Miss Sellers has the distinction as being seen as a leader in her extracurricular activities. She has the rare accomplishment of being a three-year team captain of Annville-Cleona's soccer team as well as an integral member of our school's FFA chapter. Our FFA Chapter is highly respected not only within the state, but at the national level. Miss Sellers was an officer during both her sophomore and junior years. It is because of the dedication of our students like Reagan that our FFA Chapter is able to be invited to a variety of events and competitions. Miss Sellers has also been a three year member of the National Honors Society, spending countless hours at community service events to share her passion for helping others. With her desire to succeed in both the classroom and in her community, her attendance is impeccable, as well as her overall weighted GPA of 4.39.

Reagan Sellers is deserving of my highest recommendation. Her intelligence, work ethic, kindness, and leadership skills make her an ideal candidate for your Family and Children's Services of Lebanon County Fund Scholarship. She not only demonstrates the skills represented by the scholarship but will use the scholarship to its fullest extent during her undergraduate experience to become a Physical Therapist.

Should I be able to be of further assistance, please do not hesitate to contact me at the number or email listed below.

Sincerely,

Caitlin Heller, Biology Teacher at Annville-Cleona School District
