Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 3767. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you have received Pell Grants for the equivalent of between three and three and one-half school years.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit https://StudentAid.gov and select Types of Aid/Loans for more information.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Total Amount of Loans Outstanding -					
FFEL (Bank Loans) and/or Direct Loans:	Total Principal Balance	Remaining Amount to be Disbursed	Total		
Subsidized Loans:	\$11,500	\$000	\$11,500		
Unsubsidized Loans:	\$14,000	\$000	\$14,000

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average 5 to 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly.

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.

By answering questions 101a through 101t, and signing the Free Application for Federal Student Aid, you give permission to the U.S. Department of Education to provide information from your application to the college(s) you entered. You also agree that such information is deemed to incorporate by reference the certification statement on the sign and submit page of the financial aid application. The certification statement can be viewed at StudentAid.gov/2021/help/certification-statement.

WARNING: If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

Personal Essay

Growing up and going to college was something that I've always dreamed of. Both of my siblings as well as my mother obtained a post-secondary education which had a huge influence on myself to do the same. I believe that I need to obtain a post-secondary education because not only will it help me to succeed, but it is needed for my future job career. Obtaining a post-secondary education will bring more opportunities for me and allow me to connect with others. A college degree is also very critical in today's workforce and is important for many reasons such as financial, job stability, and career satisfaction.

Choosing to attend Millersville University was the best option for me because it was close to home and it was in State. In-state tuition was much cheaper for me to afford rather than out-of-state tuition so that was one of the reasons why I chose Millersville University. Millersville University also had a great social work program which reflected on my decision to attend because I knew pursuing a social work degree was what I wanted to do. This school also embraces culture and creates a great learning dynamic environment for its students. Overall, I have chosen Millersville University because in my heart I knew this was the best fit for me and they have provided me with several opportunities to be successful.
