To finance my education, I hope to receive several scholarships to help offset the cost. The scholarship I received my freshman year helped me significantly in financing my education. The rest I paid with the job I worked at for 4 years in high school. Since I have maintained a 4.0 during my freshman year at Duquesne, I will receive an academic award for my sophomore year. Lastly, with the money remaining, I will take out loans.

Please be sure to select 'Fall 2019' when submitting your deposit online. This deposit is non-refundable and non-transferable to another student, and it will be applied to your account as a pre-payment.

Financing your education is important... I'm pleased you have been selected as a recipient of the following annual gift aid, beginning with your first year:

\$ 2,460 Duquesne University Academic Scholarship
\$ 9,545 Duquesne University – Sage Tuition Reward

\$16,005 TOTAL GIFT AID

The scholarship/awards listed above may be renewed each academic year for a maximum of four years (eight semesters) of undergraduate study. The \$4,000 On-Campus Room Award is for resident students only – those who apply for, and are assigned, on-campus housing. Your award will be cancelled if you do not reside in Duquesne University housing or affiliated campus housing. On-campus housing is guaranteed for your freshman and sophomore years only. When I think about the motivation and perseverance I embody, I always trace it back to an influential figure in my life; my childhood best friend Julia. Julia was diagnosed with leukemia at a young age. This was a traumatic event for both Julia's family and my community. It was devastating to see the effects cancer had on Julia. As a child I always questioned why such bad things happened to such nice people like my best friend Julia. After several months of battles and tears, Julia had passed away leaving a mark on the entire town. A few years later I was introduced to an organization called Four Diamonds. This organization helps children with pediatric cancer get the treatment they need, as well as help their families financially throughout the treatment process. In high school, I was the chairman of our school's mini THON. I wanted to become a part of THON and help other young children, like Julia, become cancer free. After my first year of helping out, my dedication was apparent, as I was asked to move up to a leadership position. I worked alongside 4 of my classmates to put together an entire mini thon event. The obstacles I faced while putting this event together sparked a period of personal growth inside me as well as a new understanding of how I could make a difference in the lives of so many. Although it was stressful, my greatest accomplishment is raising over \$25,000 for Four Diamonds. When transitioning into my freshman year of college, I knew I didn't want to let go of this organization that was held so close to home. At Duquesne, I joined the organization Duq-A-THON to help raise money for the pediatric oncology floor at UPMC. As a future nurse, I can continue this dream even after graduation by working in the pediatric oncology unit of UPMC. I know that through this, I will be able to offer my persistent care and courage to other young children, just like my best friend Julia.

As a future nurse in the pediatric oncology unit, I hope to be the light for my patients just as how Julia would describe her nurses during treatment. The impact Julia's nurses had on her was something that will never be forgotten by both Julia and her family. I feel fortunate to be in nursing school, so that one day I can go to sleep each night knowing that my hard work is being projected throughout the community. I am looking forward to becoming a positive influence on the medical advancements that are emerging each day. Through the comprehensive education I am receiving at Duquesne, I will be able to put these technologies to work and offer solutions to promote healthy living. I chose Duquesne University because I know that they will prepare me with both in class and hands on learning, an opportunity that many other universities don't offer. I am so thankful for the opportunity I have to learn at a place like Duquesne, and I am excited to put forth all of my hard work so that no other child has to fight like Julia did.
