Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

Application Receipt Date:	10/29/2019	XXX-XX-9346 TR 01
Processed Date:	10/30/2019	EFC: 3461 *
		DRN: 0911

Comments About Your Information

Learn about federal tax benefits for education, including the *American Opportunity Tax Credit (AOTC)*.

Based on the information we have on record for you, your EFC is 3461. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you want to register with Selective Service, you can register by doing one of the following: (1) answer "Male" to Item 21 and "Register Me" to Item 22 by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page, (2) complete a Selective Service registration form at your local post office, or (3) register online at <https://sss.gov>. Selective Service will not process your registration until 30 days before your 18th birthday.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 3461, you may be eligible to receive a Federal Pell Grant of up to \$2,745 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average 5 to 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly.

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.

By answering questions 101a through 101t, and signing the Free Application for Federal Student Aid, you give permission to the U.S. Department of Education to provide information from your application to the college(s) you entered. You also agree that such information is deemed to incorporate by reference the certification statement on the sign and submit page of the financial aid application. The certification statement can be viewed at [StudentAid.gov/2021/help/certification-statement](#).

WARNING: If you are convicted of drug distribution or possession for an offense that occurred while you were receiving Title IV aid, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2020-2021 award year, you must update your answer to the drug conviction affecting eligibility question.

Career in Computer Science

I plan on majoring in computer science in college. This is my future major because of my love for videogames and the want to spread happiness through them.

Since kindergarten, videogames have always been a passion. Playing them would bring endless joy and amazement at how people were able to create them. Daily, a different game would be played, and I would spend hours playing them. They were a good way to pass the time and a good source of entertainment. Even as puberty hit, games would always be the main source of entertainment, no matter what. If most of the day was spent doing homework or reading, there was going to be a bit of time to play at least an hour. Whether it was console games or games online, I'd enjoy them.

As high school arrived, the passion for videogames were still present. When figuring out about what to do for the future and the profession to take, the decision to be a programmer was reached. Being a computer programmer would help me to perhaps one day, create games of my own and depending on factors such as the game studio and how well a game does, a significant amount of money could be potentially raked in.

Creating videogames could also help to spread joy and happiness to others, much as they have done for me. Whenever the day just wasn't it, or if some cheering up was needed, video games were always there to help. Not only that, they taught me valuable lessons on life and morals that all should follow. I want to help spread that joy and to help give some advice to people in need of it. It's going to be hard work as research I've done has shown, but the dream will continue.

To whom this may concern,

As English teacher at Susquehanna Township High School, it has been my pleasure to know Madison Truong for the past year and a half. Last year, he was enrolled in the AP English Literature that I teach, and this year he is enrolled in the AP Language class that I teach. In that time, I have seen Madison continue to grow as a student and as a young man. From this experience, it has become clear that Madison is a serious student who will succeed in post-secondary education.

Madison's performance as a student illustrated his seriousness and his ardent desire to excel. His work was generally of good quality and showed his concern for accuracy and depth. In addition, he has displayed initiative in seeking help or clarification outside class. Another strength of his academic performance is his ability and willingness to work in a team toward a common goal.

On a personal level, Madison seems to be a responsible and mature young man as well. He possesses a sharp mind and a good sense of humor, while maintaining a healthy sense of humility. I have observed his growth in confidence as a student as well.

Madison has great potential to succeed in post-secondary education, and I sincerely recommend that he be awarded the G. Thomas Balsbaugh Memorial Scholarship that your organization is offering.

Sincerely,

William Burns

Dear Sir or Madam,

Madison Truong was a student in my 9th grade Honors Global Studies class three years ago and in my Advanced Placement World History class last year. It was truly a pleasure to have the opportunity to teach him for 2 years. Madison is an intelligent, hardworking, and conscientious young man.

Academically, Madison has been very successful. He has enrolled in challenging Honors level courses and 5 Advanced Placement courses. His current grade point average is 99.48 percent. Clearly, academic achievements are a top priority for Madison Truong.

Madison was a student athlete for Susquehanna Township High School as a member of the Susquehanna Township Football team his freshman and sophomore years.

I highly recommend Madison for acceptance to any college or university. He is a well-rounded young man with solid goals for the future.

Sincerely,

Juma Maser
