Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 2942. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you have received Pell Grants for the equivalent of between three and three and one-half school years.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit https://StudentAid.gov and select Types of Aid/Loans for more information.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 2942, you may be eligible to receive a Federal Pell Grant of up to \$3,395 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Madison Vaupel 5/9/2020 TFEC Scholarship Essay Samuel L. Abrams Foundation

In no more than two paragraphs, explain why you believe you need to obtain a post-secondary education and why you have chosen the school you will be attending.

Continuing my education and obtaining a degree has always been my goal and also my families' goal as well. They all wanted better for me than what they had, especially my grandparents and mother. Getting a college education was always in the plan, so I have always been supported every step of the way which has been a blessing. In order to become the best educator that I can be, it has been vital to get the best and make the most out of every college class that I have taken thus far. I have grown so much as a student and young woman since getting a post-secondary education in ways that are helping mold me into the future teacher that I aspire to be. Pursuing a degree constitutes making sacrifices and giving your all into everything you do, even when you feel as if you have nothing left to give. I feel as though this process creates more motivated, hardworking, and goal-oriented people. I am very grateful to be in the position that I am by attending college.

I have chosen to continue my education at Temple University for many reasons that are both academically driven and simply for the love of the city of Philadelphia as well. Since I am an early childhood education major, I have many opportunities to work with students in urban classrooms; which is my ultimate dream job. I have had the chance to make an impact on student's lives and give back to an area similar to where I am from and grew up in. Philadelphia schools are far from perfect, but the children are absolutely lovely. I have had the opportunity to develop close relationships where I was able to assist students not only in their academic careers but their personal and social-emotional lives as well. I am so proud to be a part of the Temple community and learn from so many wonderful and knowledgeable professors, as well as create bonds with co-teachers and mentors within the school district. I have made connections here that I will cherish and learn from forever. I look forward to what my senior year here at Temple has to offer!
