

We Love People.... Especially our teammates and their families. Love is an action word which means that our team would like to assist with the financial burden higher education places on our families. We want to assist in making education more accessible because it can open doors for the future and enable individuals to pursue greatness with humility. To accomplish these desires Walters Services Inc has established the Fabe and Beverly Walters Scholarship Fund. Please remember that the money for this scholarship fund comes from your teammates and/or the teammates of your parent because we believe in you, love you, and want to assist your desire to live out the core values of our company: honest in word and deed, team-centered, dependable, customer-focused, empathetic, and pursuing greatness with humility. Good luck in your future and may God bless you!
