Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

XXX-XX-9935 WA 02 Application Receipt Date: 05/13/2020 Processed Date: 05/21/2020 EFC: 0 C DRN: 4837

Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 0. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Based on information reported to the National Student Loan Data System (NSLDS) by the schools you have attended, you have received Pell Grants for the equivalent of between one and one-half and two school years.

There is a limit to the total amount of subsidized Federal student loans that you may receive. Visit https://StudentAid.gov and select Types of Aid/Loans for more information.

Your school may request additional information to determine your eligibility for federal student aid.

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

Based upon data provided by the National Student Loan Data System (NSLDS) and your grade level, we have determined that you may have received a total amount of undergraduate student loans that is close to or equal to the loan limits established for the federal loan programs. Therefore, your eligibility for additional student loans may be limited.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 0, you may be eligible to receive a Federal Pell Grant of up to \$6,345 for the 2020-2021 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

What Becoming a Nurse Means to Me

Nursing is a field that I have basically grown up with. When I say this, I mean that while growing up, I watched my mom and a lot of our family friends either become nurses or were already nurses. When they would speak about certain patients they had, without violating HIPAA of course, it would intrigue me how much they truly did helping patients. This inspired me to want to become a nurse which is now why I'm in nursing school. Nursing is a field where there are so many opportunities for a person. One can either be a bedside nurse, work in administration, home health care, and a plethora of other different routes. Being able to take care of someone and see them recover from whatever illness they were suffering from just makes me in awe of the nursing field. This is why while transferring nursing schools, I would like the opportunity to continue my education at HACC and not always worry about how I am going to pay for my education. My previous school got to be too expensive and the distance from home too much.

From volunteering to traveling with a group from one of my college clubs to rural towns that may not have the best access to healthcare, I have always been trying to help people. The nurse is the person that the patient depends on for most issues or concerns that they may have. My goal is to become a critical care nurse after college. I like the fast pace of an ICU and how as a nurse I would be helping take care of the sickest patients. After working in critical care for a few years, I would like to go back to school to become a Nurse Anesthetist.
