#### Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

## (SAR) Letter of Extenuating Circumstances

According to the FAFSA report, my family's EFC is 37,540 and we do not qualify for Federal Pell Grants. We do not have the available financial resources this report reflects because of extenuating circumstances. My family is still in the process of paying back loans needed for structural repairs to our home as a result of flooding from Tropical Storm Lee in 2011. Also, my grandmother passed away from pulmonary fibrosis in November, 2017. Her daily care and hospitalization drained my grandparent's savings and we now help to support my grandfather as much as possible.

## Why I Chose to Become a Physical Therapist

I dove for the baseball, my armed fully extended and body slightly contorted as I hit the ground. That's when I felt it, that sharp twinge that began in my back and wrapped around the left side of my rib cage. My name is Tanner Wenrich, and that painful injury is how I began to realize my future career path.

As an athlete, I remained healthy with nothing more than the normal sore muscles that one experiences with over exertion or training new muscle groups. However, it was an indoor winter training session for travel baseball when I sustained my first long-term injury with that diving catch on the turf. I had strained the muscles in my lower back and pulled the connective tissue between the ribs on my left side. This injury sidelined me for two months and led to my first exposure to physical therapy. I would later sustain another injury, a broken thumb, which would require numerous weeks of healing and physical therapy before I could return to the playing field.

Academically, I have always been strong in science and my injuries sparked an interest in learning how the body works and how it is able to heal itself. I enrolled in the Anatomy and Physiology class at school and found the content fascinating. At that point, my future became clear. My love of sports, my interest in science and the human body, and my personal experience of dealing with painful injuries led me to the decision to pursue a career in the field of physical therapy.

Physical therapy is an occupation that is projected to grow rapidly over the next ten years. The increased need for physical therapists is directly related to the increasing number of individuals who are remaining active in their later years of life. As a physical therapist, I could help others live a more enjoyable and pain-free life.

To Whom It May Concern:

It is with great enthusiasm that I write this letter in support of Tanner Wenrich in his efforts to attend your institution of higher learning. I am a high school chemistry teacher with over two decades of teaching experience. Tanner was a student in my 11<sup>th</sup> grade chemistry class at Central Dauphin High School. As his teacher, I had an opportunity to observe and interact with him in a social and academic capacity.

Academically Tanner was an excellent student in my class. He was a self-motivated student, exhibiting a genuine interest in chemistry. He was well prepared for every class; he had the necessary materials, finished in class assignments, and completed homework assignments in a timely fashion. Tanner was an active participant in class, making a positive contribution to the learning environment. He often volunteered answers in class; he would not hesitate to ask clarifying questions. He performed well on quizzes and tests, a clear indication of his academic seriousness. He was also comfortable working in a science laboratory environment, eagerly working with a variety of science equipment in an efficient and safe manner during many laboratory experiments.

Tanner was also able to work cooperatively in a group with his peers. He was both a good group member and occasionally a group leader. His good time management skills allowed him to successfully complete several long-term science projects on his own time, independent of my daily class.

I have no doubt that Tanner will be a successful student at your institution. I highly recommend him, with the utmost confidence, knowing that he will make a positive contribution to your school community. He has the maturity, determination, and integrity to excel in anything that he chooses.

If you have any questions, please do not hesitate to call me at 717-703-5360 or contact me via email at jreckner@cdschools.org, and we can discuss David's positive attributes in further detail.

Sincerely,

Jason Reckner Chemistry Teacher

To Whom It May Concern:

I am pleased to write this letter of recommendation for Tanner Wenrich. Although this is my first year to work with Tanner, I have certainly found him to be a polite, respectful, and friendly student who takes an active role in his education. Tanner's teachers have also commented that he is an enjoyable student who actively participates in class.

Tanner currently has a cumulative weighted grade point average of 85.84% and has consistently enrolled in College Preparatory courses throughout high school. In addition to his academics, Tanner has been an active member of Central Dauphin's Track & Field and Cross Country Teams for three years as well as the Linglestown Area Baseball Association since he was five years old! For the last two years, Tanner has participated with the Carmen Fusco Baseball Travel Team as well. It is important to note that Tanner is the recipient for the 2018-2019 Most Improved Runner for the Cross Country Team which is a testament to his dedication and determination! Furthermore, he currently also works approximately sixteen hours a week as a cashier at a local grocery store. Through his extra-curricular involvement and academic success, it is evident that Tanner is a hardworking and motivated student who demonstrates effective time management skills!

Please know that I enthusiastically recommend Tanner Wenrich for this scholarship! He is a well-rounded student who I believe will be successful at the collegiate level. Should you have any questions, please feel free to contact me at (717)703-5361. Thank you for your time and consideration.

Sincerely,
