Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our StudentAid.gov Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

Total Amount of Loans Outstanding -						
FFEL (Bank Loans) and/or Direct Loans:	Total Principal Balance	Remaining Amount to be Disbursed	Total			
Subsidized Loans:	\$5,750	\$2,250	\$8,000			
Unsubsidized Loans:	\$3,000	\$1,000	\$4,000

Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

To protect the confidentiality of your application data, you should never give, share, or disclose your FSA ID to anyone, including commercial service providers that provide assistance with the financial aid process. You should keep your FSA ID in a safe location.

TFEC Personal Essay

I have completed three semesters of college at this point and I am currently in my fourth. After nearly two years at Penn State, my goals for the future have not changed. The things that I have experienced in my time so far have helped strengthen my desire to continue my education after college to go to graduate school and become a physician assistant. I enjoy my major, Biobehavioral Health, very much. It focuses on all aspects of human health: biology, environment, experiences, etc. It provides a very interesting and interdisciplinary perspective on health and motivates me to want to work in the health care field. Additionally, I am now the vice president of Pre-Physician Assistant club, which I absolutely love. It is very rewarding to help others and be an active member of a club that I am very passionate about. This year, I also participated in a THON Dancer Relations committee, which allowed me to support THON dancers both physically and mentally. Through this, I realized that I truly enjoy helping others and supporting them in any way that I can, and that I most definitely want to pursue a career in medicine as a health care professional. It is for this reason, as well as my other experiences until this point, that I still strive to become a physician assistant and help others as I work in the medical field; I am now more sure of it than ever.
