Use the space below to describe how you will finance the total of your education and provide any clarification needed for the answers given above.

Belmont University, the school I plan to attend in the fall, has awarded me some Academic Merit Scholarship and Grant-in-Aid as part of my financial aid package. Even still, I am responsible for approximately \$33,600 per academic year. I have been

fortunate in that my parents have saved in a 529 plan about 33% of the money necessary to help pay my first-year tuition bills. I am fully responsible for the rest of the financing, and so I plan to participate in Federal Work-Study, take out Stafford Loans, and hopefully receive additional scholarships. Any scholarships that I am rewarded will greatly help to reduce the amount I will need to borrow to finance my education.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the <u>National Student Loan Data</u> <u>System (NSLDS</u>) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our <u>StudentAid.gov</u> Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

In no more than two paragraphs, explain why you believe you need to obtain a post-secondary education and why you have chosen the school you will be attending.

I've been involved in music for most of my life, singing in choir as long as I can remember, having classical instruction in guitar for nearly ten years, participating in my youth group's praise band as long as I've been able to, participating in musical theater throughout all of high school, playing solo gigs around central PA, and now teaching guitar lessons myself. I want to turn my passion for music into a career, but don't want to be a performer. I've learned to enjoy the behind the scenes aspects to creating music just as much. My plan is to major in music business with the goal of becoming a tour manager or working in a recording studio. Like any business field, it helps greatly to have had a college education, and going to college for music business allows me to develop my skills and gather the resources that will allow me to be successful. I believe obtaining a post-secondary education will prepare me to be successful in my field.

The college I am choosing to attend plays a big part in preparing for my intended field. I plan on going to Belmont University, which is known for its music business program. Belmont is located in Nashville, Tennessee, Music City. By attending Belmont I will acquire countless connections through internships at the best recording studios in the world, opportunities to work live concert events all over Nashville, and meeting people at my university and all over the city. I will get real experience in the heart of the music industry, and learn from professors that were leaders in the music industry themselves. For what I want to achieve in college and my career, Belmont was clearly the best option to allow for growth and success.
