Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can view details on the individual loans that make up these totals at the [National Student Loan Data System \(NSLDS\)](#) Web site. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](#) Web site.

Note that the "Subsidized" and "Unsubsidized" amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for "Unallocated Consolidation Loans" it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

The FAFSA does not accurately depict the financial situation that my family is in. To begin with, the salary of my step-father included a severance due to the fact that he was laid off from his job. The severance was used to pay bills during the period in which he was unemployed. In addition the amount of liquid money represented in the savings account of my parents is a lump sum that was received after the passing of my grandmother. This money will remain in the savings and will be put completely towards my parents purchasing a home. With the exception of \$14,000 that my parents have in a TAP account for me, I will be responsible for paying the total cost of my attendance in college for four years.

The Roberta L. Houpt Fund Scholarship Personal Essay

I chose my desired major of nursing as I believe that people take for granted the care they are provided with. Through all of the hardships I have faced and with all the people that I have lost in my life, I think that giving back to others and helping in situations of dire need is something that I am set up to do. In the span of four years I lost three of my grandparents and one of my uncles. My grandmother's death was the one that impacted my life the most. Rather than spending her last moments in the hospital, she was on hospice in her home. I watched as the nurses came in and out taking care of her every need so that none of us family members had to worry about her medical needs. I valued the care she was given. I have always been intrigued by the health professions field as it continues to develop different techniques and ways of treating patients. After talking with people who have become nurses or other medical professionals, I have not had any doubt on whether or not this was right for me. I began preparing for my track to becoming a nurse by taking science courses my junior and senior years of high school: anatomy and physiology, chemistry I, II, and III, and biology. In addition, I have started building my skills by shadowing many nurses and attending inspired nursing programs. Overall, my main goal and purpose of wanting to be a nurse lies in the hands of being able to interact with people who are not able to take care of themselves.

To Whom It May Concern:

Mackenzie Zeigler has been an absolute joy to get to know! Mackenzie was enrolled in my 9th grade Honors Earth Science class and then again as a junior when she took AP Environmental Science. It was during her junior year that I was able to get to know Mackenzie even more and just how dedicated she is to her studies and her future. Mackenzie is well rounded and looks for only the very best in people. She is well spoken and mature beyond her years.

Mackenzie is a huge part of our school community. She is involved in such wonderful clubs such as the Interact Club that have made a tremendous impact on our school culture. She also is a part of Student Council and National Honor Society that really demonstrates the type of community outreach that Mackenzie loves to be a part of. Somehow Mackenzie still has time to balance everything with working at our local McDonalds since the age of 14. I'm so proud that she will be a Manager there soon! This truly demonstrates the drive and the time management that Mackenzie has in life. I do not hesitate to recommend Mackenzie for the Roberta L. Houpt Scholarship Fund.

Sincerely,

Christina Baldwin

Letter of Recommendation for Mackenzie Zeigler for:

ROBERTA L. HOUPT SCHOLARSHIP FUND APPLICATION

Mackenzie Zeigler is one of the most amazing students I have ever had the pleasure to instruct in my eighteen years of teaching. She is dedicated, ethical, extremely intelligent, hardworking, kind, and a positive role model for her peers.

Mackenzie has been my student for three years, studying Spanish. She is currently in Spanish 4 Honors, the highest level our school offers. She has always maintained an A average and I expect to induct her into the Spanish National Honor Society later this year. She is already a member of National Honor Society in our high school. In class, she has always been prepared, participated, encouraged others, willingly partnered with all students, and frequently offered to help in the class when she saw a need. I observed her attitude towards other classes and believe all of her teachers would say the same about her. This year, she is also dually enrolled with HACC because of her drive to succeed and challenge herself to achieve.

In addition to academics, Mackenzie has dedicated herself to helping others through volunteering with Special Olympics, Operation Christmas Child, Bethesda Mission, Ronald McDonald House, the Dave Garlinger Jr. Softball Scholarship Foundation, her church Backpack Drive, and also World Vision, sponsoring a child from Peru, whose letters she shared with our Spanish class too. Mackenzie enjoys and values making a difference in people's lives.

Mackenzie is a very well rounded individual. In addition to her strong academic achievements and numerous volunteer events, she also finds time for athletics and activities. She has been a member of the soccer and softball teams here at East Pennsboro, as well as participating in clubs and school organizations. Her freshman year, Mackenzie participated in Art Club and was Freshman Class Secretary, a position she had to campaign for. She participates in Student Council, SADD Club, Math Club, and Spanish Club. Last year, she served as Spanish Club Secretary and has volunteered to run for an officer position again this year. She did a fantastic working with her fellow officers in planning and running meetings. In fact, she often helped with duties that belonged to other officers because of her

dedication to making sure the meetings could be the best possible. She is Yearbook Editor and continues to serve with the Mini-Thon Committee on the Sponsorships Committee. Somehow, with all that Mackenzie does, she has also worked at McDonald's for three years, since the age of 14, full time in the summers and part time during the school year. In that time, I have also gone through the drive through at McDonald's probably ten times while Mackenzie has been working and she has always been polite and professional. As someone that has held a job at McDonald's in the drive through, I know that requires an extreme amount of patience and persistence.

I apologize for not being able to put this recommendation on school letterhead or place a physical signature as you prefer, but again we are out of school right now.

If you have any questions, please contact me at LKROH@EPASD.ORG or since we are out of school due to COVID-19, you may leave a message with the best time to contact you at my personal cell phone number 717-805-9740 and I will return your call.
